The County is not responsible for representations made by any of its officers or employees prior to the execution of the Master Agreement unless such understanding or representation is included in the Master Agreement.

4.2 County's Right to Amend Request for Statement of Qualifications

The County has the right to amend the RFSQ by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum will be made available to each person or organization which County records indicate has received this RFSQ. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the SOQ not being considered, as determined in the sole discretion of the County. The County is not responsible for and will not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

4.3 County's Option to Reject SOQs

The County may, at its sole discretion, reject any or all SOQs submitted in response to this solicitation. The County will not be liable for any cost incurred by a Vendor in connection with preparation and submittal of any SOQ. The County reserves the right to waive inconsequential disparities in a submitted SOQ.

4.4 Background and Security Investigations

Background and security investigations of Vendor's staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting agreement. The cost of background checks is the responsibility of the Vendor.

5.0 NOTIFICATION TO VENDORS

5.1 Public Records Act

5.1.1 Responses to this RFSQ will become the exclusive property of the County. At such time as when Department recommends the qualified Vendor(s) to the Board of Supervisors (Board) and such recommendation appears on the Board agenda, all SOQ's submitted in response to this RFSQ, become a matter of public record, with the exception of those parts of each SOQ which are justifiably defined and identified by the Vendor as business or trade secrets, and plainly marked as "Trade Secret," "Confidential," or "Proprietary."

5.1.2 The County will not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the SOQ as confidential will not be deemed sufficient notice of exception. The Vendor must specifically label only those provisions of their respective SOQ which are "Trade Secrets," "Confidential," or "Proprietary" in nature.

5.2 Contact with County Personnel

Any contact regarding this RFSQ or any matter relating thereto must be in writing and e-mailed to:

Carlos Rubio, Contract Analyst
CRubio@isd.lacounty.gov

If it is discovered that a Vendor contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their SOQ from further consideration.

5.3 Mandatory Requirement to Register on County's WebVen

Prior to executing a Master Agreement, all potential Contractors must register in the County's WebVen. The WebVen contains the Vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at <http://camisvr.co.la.ca.us/webven/>.

5.4 Protest Process

5.4.1 Under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)), any prospective Vendor may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Paragraph 5.4.3 below. Additionally, any actual Vendor may request a review of a disqualification under such a solicitation, as described in the Paragraphs below.

5.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of Master Agreement based on a Vendor protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

5.4.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of any Departmental determination or action should be limited to the following:

5.4.3.1 Solicitation Requirements Review (Referenced in Paragraph 9.1)

5.4.3.2 Disqualification Review (Referenced in Paragraph 9.2)

5.5 Conflict of Interest

No County employee whose position in the County enables them to influence the selection of a Contractor for this RFSQ, or any competing RFSQ, nor any spouse or economic dependent of such employees, will be employed in any capacity by a Vendor or have any other direct or indirect financial interest in the selection of a Contractor. Vendor must certify that they are aware of and have read [Section 2.180.010 of the Los Angeles County Code](#) as stated in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms).

5.6 Determination of Vendor Responsibility

5.6.1 A responsible Vendor is a Vendor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Vendors.

5.6.2 Vendors are hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may determine whether the Vendor is responsible based on a review of the Vendor's performance on any Master Agreements, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Vendor against public entities. Labor law violations which are the fault of the subcontractors and of which the Vendor had no knowledge will not be the basis of a determination that the Vendor is not responsible.

5.6.3 The County may declare a Vendor to be non-responsible for purposes of this Master Agreement if the Board, in its discretion, finds that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor's quality, fitness or capacity to perform a contract with the County, any

other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

5.6.4 If there is evidence that the Vendor may not be responsible, the Department will notify the Vendor in writing of the evidence relating to the Vendor's responsibility, and its intention to recommend to the Board that the Vendor be found not responsible. The Department will provide the Vendor and/or the Vendor's representative with an opportunity to present evidence as to why the Vendor should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.

5.6.5 If the Vendor presents evidence in rebuttal to the Department, the Department will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Vendor will reside with the Board.

5.6.6 These terms will also apply to proposed Subcontractors of Vendors on County Master Agreements.

5.7 Vendor Debarment

5.7.1 Vendor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may debar the Vendor from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Vendor's existing contracts with County, if the Board finds, in its discretion, that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

5.7.2 These terms will also apply to proposed subcontractors of Vendors on County contracts.

5.7.3 A listing of contractors that are currently on the Debarment List for Los Angeles County may be obtained on the following website:

<https://doingbusiness.lacounty.gov/listing-of-contractors-debarred-in-los-angeles-county/>.

5.8 Improper Considerations

5.8.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Vendor with the implication, suggestion or statement that the Vendor's provision of the consideration may secure more favorable treatment for the Vendor in the award of a Master Agreement or that the Vendor's failure to provide such consideration may negatively affect the County's consideration of the Vendor's submission. A Vendor must not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of a Master Agreement.

5.8.2 Notification to County

A Vendor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>. Failure to report such a solicitation may result in the Vendor's submission being eliminated from consideration.

5.8.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

5.9 County Lobbyist Ordinance

The County has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in [County Code Chapter 2.160](#). In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Vendor to review the ordinance independently as the text of said ordinance is not contained within this RFSQ. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by [Los Angeles County Code Section 2.160.010](#), retained by the Vendor is in full compliance with [Chapter 2.160 of the Los Angeles County Code](#) and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists.

5.10 Consideration of GAIN/START Participants for Employment

- 5.10.1** As a threshold requirement for consideration of a Master Agreement, Vendors must demonstrate a proven record of hiring participants in the County's [Department of Public Social Services Greater Avenues for Independence \(GAIN\) or Skills and Training to Achieve Readiness for Tomorrow \(START\) Programs](#) or must attest to a willingness to consider GAIN/START participants for any future employment openings if they meet the minimum qualifications for that opening. Vendors must attest to a willingness to provide employed GAIN/START participants access to the Vendor's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.
- 5.10.2** Vendors who are unable to meet this requirement will not be considered for a Master Agreement. Vendors must submit a completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms), along with their SOQ.

5.11 Jury Service Program

- 5.11.1** The prospective Master Agreement is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") ([Los Angeles County Code, Chapter 2.203](#)). Prospective Contractors should carefully review Paragraph 8.7 (Compliance with the County's Jury Service Program) of Appendix A (Master Agreement), which is incorporated by reference into and made a part of this RFSQ. The Jury Service Program applies to both Contractors and their Subcontractors.

SOQs that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 5.11.2** Contractor must certify compliance with County's Contractor Employee Jury Service Ordinance in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms). If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms), and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

5.12 Pending Acquisitions/Mergers by Proposing Company

The Vendor must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Vendor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information must be provided by the Vendor in Exhibit 1 (Organization Questionnaire/Affidavit) of Appendix B (Required Forms). Failure of the Vendor to provide this information may eliminate its SOQ from any further consideration. Vendor should have a continuing obligation to notify the County and update any changes to its response in Exhibit 1 (Organization Questionnaire/Affidavit) of Appendix B (Required Forms) during the solicitation.

5.13 Charitable Contributions Compliance

5.13.1 California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register with the Registry of Charitable Trusts, which is maintained by the California Attorney General's Office. The 2004 Nonprofit Integrity Act, as approved and codified in California Government Code, Sections [12580-12599.10](#), increased Charitable Purposes Act requirements. Prospective contractors should carefully read the Background and Resources: California Charities Regulations, Appendix D. These rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. The Nonprofit Integrity Act contains substantive requirements affecting executive compensation, fund-raising practices and documentation. Charities with over two million dollars (\$2,000,000) of revenues (excluding funds that must be accounted for to a governmental entity) also have specific audit requirements.

5.13.2 All prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the certification form attached as Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). A completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) is a required part of any agreement with the County.

5.13.3 Prospective County Contractors that do not complete Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either

contract termination or debarment proceedings or both. ([County Code Chapter 2.202](#))

5.14 Defaulted Property Tax Reduction Program

- 5.14.1** The prospective Master Agreement is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") [Los Angeles County Code, Chapter 2.206](#). Prospective Contractors should reference the pertinent provisions of Appendix A (Master Agreement), Paragraphs 8.50 and 8.51, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.
- 5.14.2** Vendors will be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and must maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or must certify that they are exempt from the Defaulted Tax Program by completing Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor ([Los Angeles County Code, Chapter 2.202](#)).
- 5.14.3** SOQs that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

5.15 County's Commitment to Zero Tolerance Policy on Human Trafficking

- 5.15.1** On October 4, 2016, the County approved a motion taking significant steps to protect victims of human trafficking by establishing a zero-tolerance policy on human trafficking. The policy prohibits Vendors engaged in human trafficking from receiving contract awards or performing services under a County contract.
- 5.15.2** Vendors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 8.53 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of Appendix A (Master Agreement). Further, contractors are required to comply with the requirements under said provision for the term of any Master Agreement awarded pursuant to this solicitation.

5.16 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)

- 5.16.1** The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided

under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

5.16.2 Upon contract award or at the request of the A-C and/or the contracting department, the Contractor must submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

5.16.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

5.16.4 Upon contract award or at any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

5.17 Vendor's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices

5.17.1 On May 29, 2018, the County approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#). Additionally, on February 27, 2024, the County adopted Los Angeles County Code [Chapter 8.300](#) (Fair Chance Ordinance for Employers) to facilitate meaningful implementation of Fair Chance policies in the County and remove barriers to employment to ensure individuals with criminal records have fair and equitable access to opportunities for gainful employment.

5.17.2 Contractors are required to complete Exhibit 2 (Certification of Compliance) in Appendix B (Required Forms), certifying that they are in full compliance with [Section 12952](#) and [Chapter 8.300](#) of the Los Angeles County Code (Fair Chance Ordinance for Employers), as indicated in the Master Agreement.

5.17.3 Further, contractors are required to comply with the requirements under [Section 12952](#) and Los Angeles County Code [Chapter 8.300](#) for the term of any contract awarded pursuant to this solicitation.

5.18 Prohibition from Participation in Future Solicitation(s)

A Vendor, or a Contractor or its subsidiary or Subcontractor ("Vendor/Contractor"), is prohibited from submitting an SOQ in a County solicitation if the Vendor/Contractor has provided advice or consultation for the solicitation. A

Vendor/Contractor is also prohibited from submitting an SOQ in a County solicitation if the Vendor/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Vendor from participation in the County solicitation or the termination or cancellation of any resultant County Master Agreement. ([Los Angeles County Code, Chapter 2.202](#)).

5.19 Community Business Enterprise (CBE) Participation

The County has adopted a Community Business Enterprise (CBE) Program, which includes business enterprises certified as disadvantaged business enterprises disabled veteran-owned, minority-owned, women-owned, and lesbian, gay, bisexual, transgender, queer, and questioning-owned business types. The County has established a collective 25% participation goal for CBE certified firms, calculated on the eligible procurement dollars. The program maintains data on the types of businesses registered as CBEs and their utilization. The Vendor's CBE participation must be reflected in Exhibit 5 (Community Business Enterprise (CBE) Information) form in Appendix B (Required Forms).

All Vendors must document efforts it has taken to assure that CBEs are utilized, when possible, to provide supplies, equipment, technical services, and other services under this Master Agreement. The Vendor must make documents related to these efforts available to the County upon request.

The County strongly encourages participation by CBEs; however, the final selection will be made without regard to race, color, creed, or gender. The final selection will be based on the Vendor's ability to provide the best service and value to the County.

To obtain a list of the County's CBE certified firms, e-mail the request to the County of Los Angeles Department of Economic Opportunity at CBESBE@opportunity.lacounty.gov with the subject "**Request for CBE Listing.**"

For additional information contact the Office of Small Business at: (844) 432-4900 or at OSB@opportunity.lacounty.gov.

5.20 Contribution and Agent Declaration

[Government Code Section 84308](#) requires a party to a contract proceeding to disclose any contribution of more than \$500 made to a County officer within the preceding twelve (12) months by the party or their agent. State regulations require this disclosure to be made at the time an application is filed, and, if a contribution is made during the contract proceeding, within 30 days of making a contribution or on the date on which the party first appears before or communicates with the agency regarding the proceeding after making the contribution, whichever is earliest. All Vendors are advised that they and all of their Subcontractors must complete and return as part of the SOQ, the Contribution and Agent Declaration included in Exhibit 9 (Contribution and Agent Declaration Form) of Appendix B (Required Forms). Vendors are further advised that they and their Subcontractors must update the Contribution and Agent Declaration Form throughout the

pendency of the solicitation if a contribution is made after the initial disclosure when the SOQ is submitted, and as requested at any time by the County prior to Master Agreement award. Failure by the Vendor or any Subcontractor(s) to complete and submit the required Contribution and Agent Declaration Form in Exhibit 9, and failure by the Vendor or any Subcontractor(s) to update the declaration as required by law or as otherwise requested by the County, may eliminate the SOQ from further consideration and/or the Vendor may be disqualified from a Master Agreement award, as determined in the County's sole discretion. Further, all Vendors and their Subcontractors are prohibited under [Government Code Section 84308](#) from making a contribution of more than \$500 to a County officer for twelve (12) months after the date a final decision is made in the Master Agreement proceeding involving this solicitation.

6.0 COUNTY'S PREFERENCE PROGRAMS

6.1 Overview of County's Preference Programs

- 6.1.1** The County has three preference programs. The Local Small Business Enterprise (LSBE), Disabled Veteran Business Enterprise (DVBE), and Social Enterprise (SE). The Board encourages business participation in the County's contracting process by continually streamlining and simplifying our selection process and expanding opportunities for these businesses to compete for County opportunities.
- 6.1.2** The Preference Programs (LSBE, DVBE, and SE) require that a business complete certification prior to requesting a preference in a solicitation. This program and how to obtain certification are further explained in paragraph 6.2, 6.3, and 6.4 of this solicitation. Additional information on the County's preference programs is also available on the Department of Economic Opportunity (DEO) website at: https://iddweb.isd.lacounty.gov/DCA_eComplaint/SmallBusinessCertifications.
- 6.1.3** In no case will the Preference Programs (LSBE, DVBE, and SE) price or scoring preference be combined with any other County preference program to exceed fifteen percent (15%) in response to any County solicitation.
- 6.1.4** Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified LSBE, DVBE, or SE when not qualified.

6.2 Local Small Business Enterprise (LSBE) Preference Program

- 6.2.1** In reviewing Work Order Bids, the County will give LSBE preference to businesses that meet the definition of an LSBE for solicitations not subject to the federal restriction on geographical preferences, consistent with [Chapter 2.204 of the Los Angeles County Code](#).

- 6.2.2** To apply for certification as an LSBE, businesses should contact DEO at https://iddweb.isd.lacounty.gov/DCA_eComplaint/SmallBusinessCertifications.
- 6.2.3** Certified LSBEs may only request the preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification is affirmed. Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit a letter of certification from the County with their bid.
- 6.3 Social Enterprise (SE) Preference Program**
- 6.3.1** In reviewing Work Order Bids, the County will give preference during the solicitation process to businesses that meet the definition of a SE for solicitations not subject to the federal restriction on geographical preferences, consistent with [Chapter 2.205 of the Los Angeles County Code](#).
- 6.3.2** To apply for certification as an SE, businesses should contact DEO at https://iddweb.isd.lacounty.gov/DCA_eComplaint/SmallBusinessCertifications.
- 6.3.3** Certified SEs may only request the preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification is affirmed. Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit their SE certification letter ("Certification for Non-Federally Funded Solicitations") from the County with their bid.
- 6.4 Disabled Veteran Business Enterprise (DVBE) Preference Program**
- 6.4.1** In reviewing Work Order Bids, the County will give preference during the solicitation process to businesses that meet the definition of a DVBE, consistent with [Chapter 2.211 of the Los Angeles County Code](#).
- 6.4.2** The business must be certified by the County, prior to requesting the DVBE preference in a solicitation. To apply for certification as a DVBE, businesses should contact DEO at https://iddweb.isd.lacounty.gov/DCA_eComplaint/SmallBusinessCertifications.
- 6.4.3** Certified DVBEs may only request the preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification is affirmed. Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit their DVBE certification approval letter from the County with their bid.

6.5 Preference Program Enterprises (PPEs) - Prompt Payment Program

It is the intent of the County that Certified Preference Program Enterprises (PPEs) receive prompt payment for services they provide to County Departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an approved, undisputed invoice which has been properly matched against documents such as a receiving, shipping, or services delivered report, or any other validation of receipt document consistent with Board Policy 3.035 ([Preference Program Payment Liaison and Prompt Payment Program](#)).

7.0 STATEMENT OF QUALIFICATION (SOQ) REQUIREMENTS

This Section contains key project activities as well as instructions to Vendors in how to prepare and submit their Statement of Qualifications (SOQ).

7.1 Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with an SOQ will be sufficient cause for rejection of the SOQ. The evaluation and determination in this area will be at the Director's sole judgment and their judgment will be final.

7.2 Vendors' Questions

7.2.1 Vendors may submit written questions regarding this RFSQ by e-mail to Carlos Rubio, CRubio@isd.lacounty.gov. All questions must be received by the date and time specified in Paragraph 1.0 (Solicitation Information and Minimum Mandatory Requirements). All questions, without identifying the submitting company, will be compiled with the appropriate answers and issued as an addendum to the RFSQ.

7.2.2 When submitting questions, please specify the RFSQ paragraph number, and page number and quote the language that prompted the question. This will ensure that the question can be quickly found in the RFSQ. County reserves the right to group similar questions when providing answers.

7.4 Preparation and Format of the SOQ

One SOQ must be submitted via electronic mail (e-mail) to: CRubio@isd.lacounty.gov by the date and time listed in Paragraph 1.0 (Solicitation Information and Minimum Mandatory Requirements).

All SOQs must be bound and submitted in the prescribed format. Any SOQ that deviates from this format may be rejected without review at the County's sole discretion.

The content and sequence of the SOQ must be as follows:

- Table of Contents
- Vendor's Qualifications (Section A)
- Required Forms (Section B)
- Proof of Insurability (Section C)

7.4.1 Table of Contents

The Table of Contents must be a comprehensive listing of material included in the SOQ. This section must include a clear definition of the material, identified by sequential page numbers and by section reference numbers.

7.4.2 Vendor's Qualifications (Section A)

Demonstrate that the Vendor's organization has the experience to perform the required services. The following sections must be included:

7.4.2.1 Vendor's Background and Experience (Section A.1)

The Vendor must complete, sign and date the Exhibit 1 (Organization Questionnaire/Affidavit) as set forth in Appendix B (Required Forms). The person signing the form must be authorized to sign on behalf of the Vendor and to bind the vendor in a Master Agreement. Provide a summary of relevant background information to demonstrate that the Vendor meets the minimum mandatory requirements stated in Paragraph 3.0 of this RFSQ and has the capability to perform the required services as a corporation or other entity. Vendors also must describe, in no more than three pages for each

category for which they intend to qualify, their approach and capabilities to providing the services per service category.

Additionally, Vendor must include a list containing all contracts with public entities for the last three (3) years in which the same or similar scope of services was provided. Vendor's completed form Exhibit 7 (List of Public Entities), in Appendix B (Required Forms) must be provided in Section B (Required Forms) of Vendor's SOQ. Vendor may use additional sheets, if necessary.

Taking into account the structure of the Vendor's organization, Vendor must determine which of the below referenced supporting documents the County requires. If the Vendor's organization does not fit into one of these categories, upon receipt of the SOQ or at some later time, the County may, in its discretion, request additional documentation regarding the Vendor's business organization and authority of individuals to sign Contracts.

If the below referenced documents are not available at the time of SOQ submission, Vendors must request the appropriate documents from the California Secretary of State and provide a statement on the status of the request.

Required Support Documents:

Corporations or Limited Liability Company (LLC):

The Vendor must submit the following documentation with the SOQ:

- 1) A copy of a "Certificate of Good Standing" with the state of incorporation/organization.
- 2) A conformed copy of the most recent "Statement of Information" as filed with the California Secretary of State listing corporate officers or members and managers.

Limited Partnership:

The Vendor must submit a conformed copy of the Certificate of Limited Partnership or Application for Registration of Foreign Limited Partnership as filed with the California Secretary of State, and any amendments.

7.4.2.2 Vendor's List of References (Section A.2)

Vendor must provide three (3) references where the same or similar scope of services was provided to validate that the Vendor meets the minimum qualifications stated in Paragraph

3.0 (Minimum Mandatory Requirements). At least one (1) of the Vendors references provided in Appendix B (Required Forms), Exhibit 8 (List of References) must be responsive and validate the Vendor meets the Minimum Mandatory Requirement identified in Section 3.3 (Minimum Mandatory Requirements). Vendor must identify which services it performed, as defined in each service category, within Exhibit 8, and complete and submit one Exhibit 8 for each service category in which they are attempting to qualify for.

Vendors submitting as joint ventures must provide references that validate experience of all parties, including joint venture projects that have been completed. References for joint venture projects must be listed before references validating individual experience and projects.

Vendor may provide three (3) alternate references in the event that a reference is non-responsive. Vendor's completed, Exhibit 8 (List of References), in Appendix B (Required Forms) must be provided in Section B (Required Forms) of Vendor's SOQ.

It is the Vendor's sole responsibility to ensure that information provided for each reference is accurate.

County may disqualify a Vendor if:

- 1) References fail to substantiate Vendor's description of the services provided; or
- 2) References fail to support that Vendor has a continuing pattern of providing capable, productive and skilled personnel, or
- 3) The Department is unable to reach the point of contact with reasonable effort. It is the Vendor's responsibility to inform the point of contact of normal working hours.

7.4.2.3 Vendor's Debarment History and List of Terminated Contracts (Section A.3)

The County will conduct a review of Vendor's terminated contracts and debarment history. Vendor must include contracts terminated within the past three (3) years with a reason for termination in Appendix B (Required Forms), Exhibit 4 (Debarment History and List of Terminated Contracts). Vendor's completed form Exhibit 4 (Debarment History and List of Terminated Contracts) must be provided as part of their SOQ.

7.4.2.4 Vendor's Pending Litigation and Judgments (Section A.4)

The County will conduct a review of Vendor's pending litigation and judgments. Vendor must identify by name, case and court jurisdiction any pending litigation in which Vendor is involved, or judgments against Vendor in the past five (5) years. Additionally, Vendor must provide a statement describing the size and scope of any pending or threatening litigation against the Vendor or principals of the Vendor.

7.4.3 Required Forms (Section B)

Include all forms identified in Appendix B (Required Forms).

- Exhibit 1 Organization Questionnaire/Affidavit
- Exhibit 2 Certification of Compliance
- Exhibit 3 Request for Preference Consideration
- Exhibit 4 Debarment History and List of Terminated Contracts
- Exhibit 5 Community Business Enterprise (CBE) Information
- Exhibit 6 Minimum Mandatory Requirements
- Exhibit 7 List of Public Entities
- Exhibit 8 List of References
- Exhibit 9 Contribution and Agent Declaration
- Exhibit 10 Declaration

7.4.4 Proof of Insurability (Section C)

Vendor must provide proof of insurability that meets all insurance requirements set forth in the Appendix A (Master Agreement), Paragraphs 8.23 and 8.24. If a Vendor does not currently have the required coverage, a letter from a qualified insurance carrier indicating a willingness to provide the required coverage should the Vendor be selected to receive a Master Agreement award may be submitted with the SOQ.

7.5 SOQ Submission

SOQs must be submitted as follows:

- 7.5.1** One SOQ must be submitted by the date and time listed in Paragraph 1.0 (Solicitation Information and Minimum Mandatory Requirements), via electronic mail (e-mail) as follows:

To: Carlos Rubio at CRubio@isd.lacounty.gov

Subject: SOQ for Records Management Services GCS-10637-S

SOQs not received by the initial due date listed in Paragraph 1.0 may not be reviewed prior to the Board of Supervisor's approval of the Master Agreement; however, the SOQs will be reviewed after Board of Supervisor's approval.

- 7.5.2** The SOQ must be saved as (or entitled) "SOQ for Records Management Services, RFSQ Number GCS-10637-S". Vendor will include, along with its submission, a completed copy of Appendix B (Required Forms) saved in its original file format (i.e., Excel).
- 7.5.3** No hard copies delivered in person or facsimile (faxed) responses will be accepted. Please note, each email attachment file size is limited to 25 MB per email. Multiple emails of various file types (e.g., .zip, PDF, Excel) will be accepted. All SOQ documentation must be attached, not linked.
- 7.5.4** It is the sole responsibility of the submitting Vendor to ensure that its SOQ is received before the submission deadline. Submitting vendors bear all risks associated with delays in delivery.
- 7.5.5** Throughout the term of the MA, errors in SOQs may be corrected by a request in writing to withdraw the SOQ and by submission of another set of SOQs with the mistakes corrected.

7.6 Acceptance of Terms and Conditions of Master Agreement

Vendors understand and agree that submission of the SOQ constitutes acknowledgement and acceptance of, and a willingness to comply with, all terms and conditions of the Appendix A (Master Agreement).

7.7 SOQ Withdrawals

All SOQs will be firm offers and may not be withdrawn for a period of one hundred eighty (180) days following the last day to submit SOQs. After which, the Vendor may withdraw its SOQ at any time upon written request for same to Carlos Rubio via email at: CRubio@isd.lacounty.gov.

8.0 SOQ REVIEW/SELECTION/QUALIFICATION PROCESS

8.1 Review Process

SOQs will be subject to a detailed review by qualified County staff. The review process will include the following steps:

8.1.1 Adherence to Minimum Mandatory Requirements

County will review Exhibit 1 (Organization Questionnaire/Affidavit of Appendix B (Required Forms), Exhibit 6 (Minimum Mandatory Requirements), Exhibit 7 (List of Public Entities), and Exhibit 8 (List of References) to determine if the Vendor meets the minimum mandatory requirements as outlined in Paragraph 3.0 of this RFSQ.

Failure of the Vendor to comply with the minimum mandatory requirements may eliminate its SOQ from any further consideration. The Department may elect to waive any informality in an SOQ if the sum and substance of the SOQ is present.

8.1.2 Vendor's Qualifications (Section A)

County's review will include the following:

8.1.2.1 Vendor's Background and Experience as provided in Section A.1 of the SOQ.

8.1.2.2 Vendor's References as provided in Section A. 2. The review will include verification of references submitted, a review of the Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts, and a review of terminated contracts.

8.1.2.3 A review to determine the magnitude of any pending litigation or judgments against the Vendor as provided in Section A. 3.

8.1.3 Required Forms

All forms listed in Paragraph 7.4.3 (Required Forms) must be included in Section B of the SOQ.

8.1.4 Proof of Insurability

Review the proof of insurability provided in Section C of the SOQ.

8.2 Selection/Qualification Process

The Department will generally select Vendors that have experience in providing a broad range of Records Management services. However, in order to ensure the Department has a varied pool of qualified Contractors, the Department may offer Master Agreements to Vendors that offer a narrow scope of services in more highly specialized areas.

8.3 Master Agreement Award

Vendors who are notified by the Department that they appear to have the necessary qualifications and experience (i.e., they are qualified) still not be recommended for a Master Agreement if other requirements necessary for award have not been met. Other requirements may include acceptance of the terms and conditions of the Master Agreement, and/or satisfactory documentation that required insurance will be obtained. Only when all such matters have been demonstrated to the Department's satisfaction can a Vendor, which is otherwise deemed qualified, be regarded as "selected" for recommendation of a Master Agreement.

The Department will execute Board of Supervisors-authorized Master Agreements with each selected Vendor. All Vendors will be informed of the final selections.

9.0 PROTEST PROCESS OVERVIEW

9.1 Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting Appendix C (Solicitation Requirements Review (SRR) Request) to the Department conducting the solicitation as described in this Section. A request for a Solicitation Requirements Review may be denied, in the Department's sole discretion, if the request does not satisfy all of the following criteria:

- 9.1.1** The request for a SRR is made within the time frame identified in the solicitation document.
- 9.1.2** The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a SOQ;
- 9.1.3** The request itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and
- 9.1.4** The request asserts that either:
 - 9.1.4.1** application of the Minimum Mandatory Requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
 - 9.1.4.2** due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Vendor.

The SRR will be completed and the Department's determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the SOQ due date.

9.2 Disqualification Review

An SOQ may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that an SOQ is disqualified due to non-responsiveness, the Department will notify the Vendor in writing.

Upon receipt of the written determination of non-responsiveness, the Vendor may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 9.2.1** The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and

9.2.2 The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review must be completed and the determination will be provided to the requesting Vendor, in writing, prior to the conclusion of the evaluation process.

- 3.2 Work Orders will generally conform to Exhibit D on a fixed price per deliverable basis. - 3.3 County procedures for issuing and executing Work Orders are as set forth in this sub-paragraph 3.3. Upon determination by County to issue a Work Order solicitation, County will issue a Work Order solicitation containing a Statement of Work to all Master Agreement Qualified Contractors within the applicable Service Category. Each interested Qualified Contractor contacted must submit a bid or proposal to the County address and within the timeframe specified in the Work Order Solicitation. Failure of Contractor to provide a

bid/proposal within the specified timeframe may disqualify Contractor for that particular Work Order.

Upon completion of the Work Order Solicitation evaluations, County will execute the Work Order by and through the Department staff identified in this Master Agreement with the lowest cost Qualified Contractor unless the Work Order solicitation specifies bid evaluation criteria other than lowest cost. It is understood by Contractor that County's competitive bidding procedure may have the effect that no Work Orders are awarded to some Master Agreement Qualified Contractors. Work Orders are usually executed for periods not extending past the end of County's current fiscal year (June 30th). However, at such time the Work Order is only extended through the end of the fiscal year, County may either rebid the Work Order tasks or extend the Work Order if technical or cost circumstances require it.

- 3.4 County estimates that selection of any Contractor will occur within five (5) business days of completion of the evaluations of the particular Work Order bids. Following selection, all Contractors selected must be available to meet with County on the starting date specified in the Work Order.
- 3.5 County Departments are not limited as to the amount of services that may be obtained through the Master Agreements.
- 3.6 There is no minimum guarantee of Services to the Contractor under this Master Agreement. All Services will be requested at the County's sole discretion.
- 3.7 If Contractor provides any tasks, deliverables, goods, services, or other work, other than as specified in this Agreement, the same shall be deemed to be a gratuitous effort on the part of the Contractor, and Contractor shall have no claim whatsoever therefor against the County.
- 3.8 Inability of the Contractor to comply with service requirements and/or failure of Contractor to provide services within the specified timeframe may be cause for Work Order termination, at the County's discretion for that particular Work Order, as determined in the sole discretion of County's Project Director.
- 3.9 In the event Contractor defaults three times under Paragraph 3.8 within a given County fiscal year, the County may terminate this Master Agreement pursuant to Paragraph 8.41 (Termination for Default).

4.0 TERM OF MASTER AGREEMENT

- 4.1 The term of this Master Agreement will be five (5) years commencing after execution by Director or their designee as authorized by the Board of Supervisors (Board). This Master Agreement will expire on (enter date) unless sooner extended or terminated, in whole or in part, as provided herein.
- 4.2 The County will have the sole option to extend the Master Agreement term up to three (3) additional two-year periods and six (6) month-to-month

extensions, for a maximum total Master Agreement term of eleven (11) years and six (6) months. Each such option and extension will be exercised at the sole discretion of the Director or their designee as authorized by the Board.

The County maintains a database that tracks/monitors contractor performance history. Information entered into the database may be used for a variety of purposes, including determining whether the County will exercise a Master Agreement term extension option.

- 4.3** Contractor must notify the Department when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor must send written notification to the Department at the address herein provided in Exhibit B (County's Administration).

5.0 CONTRACT SUM

5.1 Total Contract Sum

Contractor will not be entitled to any payment by County under this Master Agreement except pursuant to validly executed and satisfactorily performed Work Orders. In each year of this Master Agreement, the total of all amounts actually expended by County hereunder ("maximum annual expenditures") may not exceed amounts allocated to the Department by the Board in their approved budgets. The County has sole discretion to expend some, all, or none of such budgeted amounts. The sum of such annual expenditures for the duration of the Master Agreement is the Contract Sum.

5.2 Written Approval for Reimbursement

The Contractor will not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, will occur only with the County's express prior written approval.

5.3 No Payment for Services Provided Following Expiration/Termination of Master Agreement

Contractor will have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it will immediately notify County and must immediately repay all such funds to County. Payment by County for services rendered after

expiration/termination of this Master Agreement will not constitute a waiver of County's right to recover such payment from Contractor.

5.4 Invoices and Payments

5.4.1 For providing the tasks, deliverables, services, and other work authorized pursuant to this Master Agreement, Contractor must separately invoice County for each Work Order either: (1) monthly, if performed on a Time and Materials basis (see Exhibit D1) or (2) by deliverable, if performed on a fixed price per deliverable basis (see Exhibit D2).

5.4.2 Payment for all work will be on a fixed price per deliverable basis, subject to the Total Maximum Amount specified in each Work Order less any amounts assessed in accordance with Paragraph 8.25 (Liquidated Damages).

5.4.3 County will not pay Contractor for any overtime premiums, travel expenses, meals, lodging, holidays, vacation, sick leave, per diem, or miscellaneous expenses, etc.

5.4.4 All work performed by, and all invoices submitted by, Contractor pursuant to Work Orders issued hereunder must receive the written approval of County's Work Order Director, who will be responsible for a detailed evaluation of Contractor's performance before approval of work and/or payment of invoices is permitted.

5.4.5 Invoices under this Master Agreement must be submitted to the address(es) set forth in the applicable Work Order.

5.4.6 Invoice Content

The period of performance specified in Contractor's invoice(s) must coincide with the period of performance specified in the applicable Work Order.

Time and Materials Work Order (Exhibit D1):

Each invoice submitted by Contractor must specify:

- County numbers of the Work Order and Contractor's Master Agreement;
- Period of performance of work being invoiced;
- Name(s) of persons who performed the work;
- Number of hours being billed for the individual(s) and the labor rate(s) as specified in the Work Order; and
- Total amount of the invoice.

Fixed Price Per Deliverable (Exhibit D2)

Each invoice submitted by Contractor must specify the following:

- Work Order number and Contractor's Master Agreement number;
- Period of performance of work being invoiced;
- Name(s) of persons who performed the work;
- A brief description of the deliverable(s) for which payment is claimed, the respective number(s) assigned to the deliverable(s), and the individual amount being billed for each deliverable; and
- The total amount of the invoice.

5.4.7 Preference Program Enterprises – Prompt Payment Program

5.5 Default Method of Payment: Direct Deposit or Electronic Funds Transfer

- 5.5.1** The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).
- 5.5.2** The Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.
- 5.5.3** Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.
- 5.5.4** At any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative

is necessary. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

5.6 Unresolved Disallowed Costs

Contractor must not invoice the County for disallowed costs under the Contract. Correspondingly, the Contractor must not have unresolved disallowed costs in excess of One Hundred Thousand Dollars (\$100,000) that have been confirmed as disallowed costs by the contracting County department and remain unpaid for a period of six (6) months or more from the date of an Auditor-Controller (A-C) Report. Unless such disallowed costs are the subject of current good faith negotiations, as determined in the sole discretion of the County, non-compliance by Contractor regarding this provision will constitute a material breach of Contract and may result in termination for default, in addition to any other remedies available to the County. Further, if Contractor has been determined to have unresolved disallowed costs in excess of \$100,000 for longer than six months since the date of the A-C Report, they will be disqualified from future County solicitations unless such disallowed costs are the subject of good faith negotiations to resolve the disallowed costs, in the sole opinion of the County, or have been resolved.

To implement an extension of time, an Amendment to the Master Agreement must be prepared and executed by the Contractor and by the Director or designee.

8.2 Assignment and Delegation/Mergers or Acquisitions

- 8.2.1** The Contractor must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. - 8.2.3** Any assumption, assignment, delegation, or takeover of any of the

Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 Authorization Warranty

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.6 Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement. Additionally, Contractor certifies to the County:

- 8.6.1 That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
- 8.6.2 That Contractor periodically conducts a self-analysis or utilization analysis of its work force.

8.7 Compliance with County's Jury Service Program

- 8.7.1 Jury Service Program: This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).
- 8.7.2 Written Employee Jury Service Policy
 - Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the [Jury Service Program \(Section 2.203.020 of the County Code\)](#) or that Contractor qualifies for an exception to the [Jury Service Program \(Section 2.203.070 of the County Code\)](#), Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
 - For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Master Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Master Agreements or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less

within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.

- If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor will have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Contractor must immediately notify County if Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County’s satisfaction that Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that Contractor continues to qualify for an exception to the Program.
- Contractor’s violation of this Paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar Contractor from the award of future County Master Agreements for a period of time consistent with the seriousness of the breach.

8.8 Conflict of Interest

- 8.8.1** No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to

unlawfully influence the County's approval or ongoing evaluation of such work.

- 8.8.2** The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph 8.8 will be a material breach of this Master Agreement.

8.9 Consideration of Hiring County Employees Targeted for Layoffs or Who are on a County Re-employment List

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.10 Consideration of Hiring GAIN/START Participants

- 8.10.1** Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and BServices@opportunity.lacounty.gov and DPSS will refer qualified GAIN/START job candidates.

- 8.10.2** In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other Master Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.11.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Master Agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Master Agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 Contractor Hearing Board

- If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given

an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review

decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

Additionally, the contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's "[Safely Surrendered Baby Law Poster](#)" (available in [English/Spanish/Chinese/Korean](#)) in a prominent position at the contractor's place of business. The contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business.

The Contractor, and its subcontractor(s), can access posters and other program material at www.babysafela.org.

8.13 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.13.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Master Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.13.2 As required by the [County's Child Support Compliance Program \(County Code Chapter 2.200\)](#) and without limiting the Contractor's duty under this Master Agreement to comply with all applicable

provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Master Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.14 County's Quality Assurance Plan

The County or its agent(s) will monitor the contractor's performance under this Master Agreement on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

8.15 Damage to County Facilities, Buildings or Grounds

8.15.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. 8.16 Employment Eligibility Verification

8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Master Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by

Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

- 8.16.2** The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Master Agreement.

8.17 Counterparts and Electronic Signatures and Representations

This Master Agreement may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Master Agreement. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Master Agreement.

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.19 Force Majeure

- 8.19.1** Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to

those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Paragraph as "force majeure events").

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 Governing Law, Jurisdiction, and Venue

This Master Agreement will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

8.21 Independent Contractor Status

8.21.1 This Master Agreement is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. 8.21.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Master Agreement all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Master Agreement. which are marked “trade secret”, “confidential”, or “proprietary”. The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.34.2** In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

8.35 Publicity

- 8.35.1** The Contractor must not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor’s need to identify its services and related clients to sustain itself, the County will not inhibit the Contractor from publishing its role under this Master Agreement within the following conditions:

- The Contractor must develop all publicity material in a professional manner; and
- During the term of this Master Agreement, the Contractor must not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County’s Project Director. The County will not unreasonably withhold written consent.

- 8.35.2** The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County of Los Angeles, provided that the requirements of this Paragraph 8.35 (Publicity) will apply.

8.36 Record Retention and Inspection-Audit Settlement

The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor must also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but

not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the Contractor and will be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time, or if the County requires a longer retention period as set forth in the Work Order. All such material must be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.36.1** In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor must file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County will make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.36.2** Failure on the part of the Contractor to comply with any of the provisions of this paragraph will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.
- 8.36.3** If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference will be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.37 Recycled Bond Paper

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.38 Subcontracting

8.38.1 The requirements of this Master Agreement may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.38.2 If the Contractor desires to subcontract, the Contractor must provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.38.3 The Contractor must indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.38.4 The Contractor will remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.38.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.

8.38.6 The County's MAPD is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor must forward a fully executed subcontract to the County for their files.

8.38.7 The Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

- 8.39.8** The Contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. Before any subcontractor employee may perform any work hereunder contractor must ensure delivery of all such documents to:

Attention: Miguelangel Tamayo
Mtamayo@isd.lacounty.gov

before any subcontractor employee may perform any work hereunder.

8.39 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.13 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), will constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice will be grounds upon which the County may terminate this Master Agreement pursuant to Paragraph 8.41 (Termination for Default) and pursue debarment of Contractor, pursuant to [County Code Chapter 2.202](#).

8.40 Termination for Convenience

- 8.40.1** County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effectuated by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten (10) days after the notice is sent.

- 8.40.2** After receipt of a notice of termination and except as otherwise directed by the County, the Contractor must immediately:

- Stop work under the Work Order or under this Master Agreement, as identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and

- 8.40.3** All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement or Work Order must be maintained by the Contractor in accordance with Paragraph 8.36 (Record Retention and Inspection/Audit Settlement).

8.41 Termination for Default

8.41.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County's Project Director:

- Contractor has materially breached this Master Agreement;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement or any Work Order issued hereunder; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.41.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Paragraph 8.41.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor will continue the performance of this Master Agreement to the extent not terminated under the provisions of this paragraph.

8.41.3 Except with respect to defaults of any subcontractor, the Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.41.2 if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the

subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph 8.41.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.41.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.41, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.41, or that the default was excusable under the provisions of Paragraph 8.41.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.40 (Termination for Convenience).

8.41.5 The rights and remedies of the County provided in this Paragraph 8.42 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.42 Termination for Improper Consideration

8.42.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of the Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Master Agreement. In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.42.2 The Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

8.42.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.43 Termination for Insolvency

8.4.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor will be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been

filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.43.2 The rights and remedies of the County provided in this Paragraph 8.43 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.44 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or County Lobbying firm as defined in [County Code Section 2.160.010](#) retained by the Contractor, must fully comply with the County's Lobbyist Ordinance, [County Code Section 2.160.010](#). Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance will constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.45 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Master Agreement, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.46 Validity

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances will not be affected thereby.

8.47 Waiver

No waiver by the County of any breach of any provision of this Master Agreement will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement will not be construed as a waiver thereof.

The rights and remedies set forth in this Paragraph 8.47 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.48 Warranty Against Contingent Fees

8.48.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.48.2 For breach of this warranty, the County will have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.49 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Master Agreement will maintain compliance, with [Los Angeles County Code Chapter 2.206](#).

8.50 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.49 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) will constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within 10 days of notice will be grounds upon which County may terminate this Master Agreement and/or pursue debarment of Contractor, pursuant to [Los Angeles County Code Chapter 2.206](#).

8.51 Time off For Voting

The Contractor must notify its employees, and must require each subcontractor to notify and provide to its employees, information regarding the time off for voting law ([Elections Code Section 14000](#)). Not less than 10 days before every statewide election, every Contractor and

subcontractors must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of [Section 14000](#).

8.52 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the County will require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Master Agreement. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

8.53 Compliance with Fair Chance Employment Hiring Practices

Contractor, and its subcontractors, must comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#) and [Chapter 8.300 of the Los Angeles County Code \(Fair Chance Ordinance for Employers\)](#). Contractor's violation of this paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement.

8.54 Compliance with the County Policy of Equity

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

8.55 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or

consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract.

8.56 Injury and Illness Prevention Program

Contractor will be required to comply with the State of California's Cal OSHA's regulations. [California Code of Regulations Title 8 Section 3203](#) requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

8.57 Campaign Contribution Prohibition Following Final Decision in Master Agreement Proceeding

Pursuant to [Government Code Section 84308](#), Contractor and its Subcontractors, are prohibited from making a contribution of more than \$500 to a County officer for twelve (12) months after the date of the final decision in the proceeding involving this Master Agreement. Failure to comply with the provisions of [Government Code Section 84308](#) and of this paragraph, may be a material breach of this Master Agreement as determined in the sole discretion of the County.

8.58 Budget Reductions

In the event that the County's Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County agreements, the County reserves the right to reduce its payment obligation under this Master Agreement correspondingly for that fiscal year and any subsequent fiscal year during the term of this Master Agreement (including any extensions), and the services to be provided by the Contractor under this Master Agreement will also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor must continue to provide all of the services set forth in this Master Agreement.

REQUIRED FORMS – EXHIBIT 9

CONTRIBUTION AND AGENT DECLARATION FORM

This form must be completed separately by all bidders/proposers, including all prime contractors and subcontractors, and by all applicants for licenses, permits, and other entitlements for use issued by the County of Los Angeles ("County").

Pursuant to the Levine Act ([Government Code Section 84308](#)), a member of the Board of Supervisors, other elected County officials (the Sheriff, Assessor, and the District Attorney), and other County employees and/or officers ("County Officers") are disqualified and not able to participate in a proceeding involving contracts, franchises, licenses, permits and other entitlements for use if the County Officer received more than \$250 in contributions in the past 12 months from the bidder, proposer or applicant, any paid agent of the bidder, proposer, or applicant, or any financially interested participant who actively supports or opposes a particular decision in the proceeding.

State law requires you to disclose information about contributions made by you, your company, and lobbyists and agents paid to represent you. Failure to complete the form in its entirety may result in significant delays in the processing of your application and potential disqualification from the procurement or application process.

You must fully answer the applicable questions below. You ("Declarant"), or your company, if applicable, including all entities identified below (collectively, "Declarant Company") must also answer the questions below. The term "employee(s)" shall be defined as employees, officers, partners, owners, or directors of Declarant Company.

An affirmative response to any questions will not automatically cause the disqualification of your bid/proposal, or the denial of your application for a license, permit or other entitlement. However, failure to answer questions completely, in good faith, or providing materially false answers may subject a bidder/proposer to disqualification from the procurement.

This material is intended for use by bidders/proposers, including all prime contractors and subcontractors, and by all applicants for licenses, permits, and other entitlements for use issued by the County of Los Angeles and does not constitute legal advice. If you have questions about the Levine Act and how it applies to you, you should call your lawyer or contact the Fair Political Practices Commission for further guidance.
