- 2.1.13 Qualified Contractor:** A Contractor who has submitted a Statement of Qualifications (SOQ) in response to County's Request For Statement of Qualifications (RFSQ); has met the minimum mandatory requirements qualifications listed in the RFSQ, and has an executed Master Agreement with the Department.

- 2.1.15 Statement of Qualifications (SOQ):** A Contractor's response to an RFSQ.

- 2.1.16 Statement of Work:** A written description of tasks and/or deliverables desired by County for a specific Purchase Order.
- 2.1.17 Purchase Order:** A subordinate agreement executed wholly within and subject to the provisions of this Master Agreement, for the performance of tasks and/or provision of deliverables as described in a specification or a Statement of Work. Each Purchase Order must result from bids, solicited by and tendered to County, by Qualified Contractors. Unless otherwise specified in the Purchase Order Availability Notice, County will select the lowest cost, qualified bid responding to the requirements of the proposed Purchase Order. No work will be performed by Contractors except in accordance with validly bid and executed Purchase Orders.

3.0 WORK

- 3.1 Pursuant to the provisions of this Master Agreement, the Contractor must fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.
- 3.2 Each Purchase Order will include an attached Statement of Work, which will describe in detail the particular project and the work required for the performance thereof. Payment for all work will be either on a time and materials basis or on a fixed priced per deliverable basis, subject to the Total Maximum Amount specified on each individual Purchase Order.
- 3.3 If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor Personnel, and/or that goes beyond the Purchase Order expiration date, and/or that exceeds the Total Maximum Amount as specified in the Purchase Order as originally written or modified in accordance with Paragraph 8.1 (Amendments), these will be gratuitous efforts on the part of Contractor for which Contractor will have no claim whatsoever against County.
- 3.4 County procedures for issuing and executing Purchase Orders are as set forth in this Paragraph. Upon determination by County to issue a Purchase Order solicitation, County will issue a Purchase Order solicitation containing a Statement of Work to all Master Agreement Qualified Contractors. Each interested Qualified Contractor so contacted must submit a bid to the County address and within the timeframe specified in the solicitation. Failure of Contractor to provide a bid within the specified timeframe may disqualify Contractor for that particular Purchase Order.
- 3.5 Upon completion of evaluations, County will execute the Purchase Order by and through the Department staff identified in this Master Agreement with the lowest cost Qualified Contractor unless the Purchase Order solicitation specifies bid evaluation criteria other than lowest cost. It is understood by

Contractor that County's competitive bidding procedure may have the effect that no Purchase Orders are awarded to some Master Agreement Qualified Contractors. Purchase Orders are usually issued for periods not extending past the end of County's current fiscal year (June 30th) with the exception of Purchase Orders for as needed services on a time and material basis, which may be issued to correspond with the term of the Master Agreement. However, at such time the Purchase Order is only extended through the end of the fiscal year, County may either rebid the Purchase Order tasks or extend the Purchase Order if technical or cost circumstances require it.

- 3.6 County estimates that selection of any Contractor will occur within five (5) business days of completion of the evaluations of the particular Purchase Order bids. Following selection, all Contractors selected must be available to meet with County on the starting date specified in the Purchase Order. Inability of Contractor to comply with such commencement date may be cause for disqualification of Contractor from the particular Purchase Order as determined in the sole discretion of County's Project Director.
- 3.7 In the event Contractor defaults three times under Paragraph 3.6 within a given County fiscal year, then County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default).

4.0 TERM OF MASTER AGREEMENT

- 4.1 This Master Agreement is effective upon the date of its execution by Director of Internal Services Department, or his/her designee as authorized by the Board of Supervisors. This Master Agreement shall expire on March 31, 2027 unless sooner extended or terminated, in whole or in part, as provided herein.
- 4.2 Notwithstanding any other provisions of this Paragraph 4.0, any Purchase Order issued hereunder prior to the expiration date of this Master Agreement which has a Purchase Order expiration date later than the Master Agreement expiration date shall automatically extend such Master Agreement expiration date up to one hundred eighty (180) days or to the Purchase Order expiration date, whichever occurs first. Such extended Master Agreement expiration date shall apply only to such Purchase Order and shall not extend such date for any other purpose whatsoever, including issuing new Purchase Orders and/or extending any other Purchase Order(s).
- 4.3 The County shall have the sole option to extend the Master Agreement term for up to six (6) month to month extensions. The maximum end date is September 30, 2027. Each such option and extension shall be exercised at the sole discretion of the Director of Internal Services Department, or his/her designee as authorized by the Board of Supervisors.

The County maintains databases that track/monitor contractor performance history. Information entered into such databases may

be used for a variety of purposes, including determining whether the County will exercise a contract term extension option.

- 4.4 Contractor shall notify the Department when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor shall send written notification to the Internal Services Department at the address herein provided in Exhibit A.

The County has sole discretion to expend some, all, or none of such budgeted amounts. The sum of such annual expenditures for the duration of the Master Agreement is the Contract Sum.

5.2 Written Approval for Reimbursement

The Contractor will not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, will occur only with the County's express prior written approval.

5.3 No Payment for Services Provided Following Expiration/Termination of Master Agreement

Contractor will have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it will immediately notify County and must immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement will not constitute a waiver of County's right to recover such payment from Contractor.

5.4 Invoices and Payments

- 5.4.1 For providing the tasks, deliverables, services, and other work authorized pursuant to this Master Agreement, Contractor must separately invoice County for each Purchase Order either: (1)

monthly, if performed on a Time and Materials basis or (2) by deliverable, if performed on a fixed price per deliverable basis.

5.4.2 Payment for all work will be on either a Time and Materials basis or a fixed price per deliverable basis, subject to the Total Maximum Amount specified in each Purchase Order less any amounts assessed in accordance with Paragraph 8.25 (Liquidated Damages).

5.4.3 County will not pay Contractor for any overtime premiums, travel expenses, meals, lodging, holidays, vacation, sick leave, per diem, or miscellaneous expenses, etc.

5.4.4 All work performed by, and all invoices submitted by, Contractor pursuant to Purchase Orders issued hereunder must receive the written approval of County's Purchase Order Director, who will be responsible for a detailed evaluation of Contractor's performance before approval of work and/or payment of invoices is permitted.

5.4.5 Invoices under this Master Agreement must be submitted to the address(es) set forth in the applicable Purchase Order.

5.4.6 **Invoice Content**

The period of performance specified in Contractor's invoice(s) must coincide with the period of performance specified in the applicable Purchase Order.

Prompt payment is defined as fifteen (15) calendar days after receipt of an approved, undisputed invoice which has been properly matched against documents such as a receiving, shipping, or services delivered report, or any other validation of receipt document consistent with Board Policy 3.035 ([Preference Program Payment Liaison and Prompt Payment Program](#)).

5.5 Default Method of Payment: Direct Deposit or Electronic Funds Transfer

- 5.5.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).
- 5.5.2 The Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.
- 5.5.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.
- 5.5.4 At any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

6.5 County's Project Manager

Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but will not be limited to, criminal conviction information. Contractor will not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.
- 7.6.3 Contractor must inform all of its officers, employees, agents and subcontractors providing services hereunder of the confidentiality provisions of this Master Agreement.
- 7.6.4 Contractor shall before performing services covered by this Master Agreement sign and adhere to the provisions of the "Contractor Acknowledgement and Confidentiality Agreement", Exhibit F.

8.0 STANDARD TERMS AND CONDITIONS

8.1 Amendments

8.1.1 The County's Board or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Master Agreement during the term of this Master Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board or Chief Executive Officer. To implement such orders, an Amendment to the Master Agreement must be prepared and executed by the Contractor and by the Director of Internal Services Department or his/her designee.

8.1.2 The Director, or their designee may, at their sole discretion, authorize extensions of time as defined in Paragraph 4.0 (Term of Master Agreement). The Contractor agrees that such extensions of time will not change any other term or condition of this Master Agreement during the period of such extensions. To implement an extension of time, an Amendment to the Master Agreement must be prepared and executed by the Contractor and by Director of Internal Services Department or his/her designee.

8.1.3 Addition of Service Categories

An Amendment to the Master Agreement shall be prepared and executed by the Contractor and by the Director of Internal Services Department or his/her designee to add or delete Service Categories.

8.1.4 Changes to Subsequent Purchase Orders

For any changes which affect the Statement of Work, time-and-material rates or deliverable prices, performance period, or assignment of Contractor Personnel for a Purchase Order, a Purchase Order Amendment shall be prepared, and executed by the County's MAPD or his/her designee.

8.2 Assignment and Delegation/Mergers or Acquisitions

8.2.1 The Contractor must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.

8.2.2 The Contractor must not assign, exchange, transfer, or delegate

its rights or duties under this Master Agreement, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent will be null and void. For purposes of this Paragraph, County consent will require a written amendment to the Master Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Master Agreement will be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.

- 8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 Authorization Warranty

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 Complaints

The Contractor must develop, maintain and operate procedures for receiving, investigating and responding to complaints.

- 8.4.1 Within (15) business days after the Master Agreement effective date, the Contractor must provide the County with the Contractor's policy for receiving, investigating and responding to user complaints.
- 8.4.2 The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.
- 8.4.3 If the County requests changes in the Contractor's policy, the Contractor must make such changes and resubmit the plan within (5) business days for County approval.
- 8.4.4 If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor must submit proposed changes to the County for approval before implementation.

- 8.4.5 The Contractor must preliminarily investigate all complaints and notify the County's Project Manager of the status of the investigation within (5) business days of receiving the complaint.
- 8.4.6 When complaints cannot be resolved informally, a system of follow-through will be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 8.4.7 Copies of all written responses must be sent to the County's Project Manager within (3) business days of mailing to the complainant.

8.5 Compliance with Applicable Laws

- 8.5.1 In the performance of this Master Agreement, Contractor must comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Master Agreement are hereby incorporated herein by reference.
- 8.5.2 Contractor must indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.6 Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e)

(17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement. Additionally, Contractor certifies to the County:

- 8.6.1 That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
- 8.6.2 That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
- 8.6.3 That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
- 8.6.4 Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.7 Compliance with County's Jury Service Program

- 8.7.1 Jury Service Program: This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).
- 8.7.2 Written Employee Jury Service Policy
 - Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the [Jury Service Program \(Section 2.203.020 of the County Code\)](#) or that Contractor qualifies for an exception to the [Jury Service Program \(Section 2.203.070 of the County Code\)](#), Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
 - For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Master Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum

of \$50,000 or more in any 12-month period under one or more County Master Agreements or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.

- If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor must immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- Contractor's violation of this Paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar Contractor from the award of future County Master Agreements for a period of time consistent with the seriousness of the breach.

8.8 Conflict of Interest

- 8.8.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.8.2 The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph 8.8 will be a material breach of this Master Agreement.

8.9 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-employment List

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.10 Consideration of Hiring GAIN/START Participants

- 8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to:

gainstart@dpss.lacounty.gov and
bservices@opportunity.lacounty.gov and DPSS will refer
qualified GAIN/START job candidates.

- 8.10.2 In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

8.11 Contractor Responsibility and Debarment

8.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other Master Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.11.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Master Agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Master Agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 Contractor Hearing Board

- If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing

of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting

documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.11.5 Subcontractors of Contractor

These terms will also apply to Subcontractors of County Contractors.

8.12 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

The contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, in Exhibit E, in a prominent position at the contractor's place of business. The contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at:

<https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>

8.13 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.13.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Master Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.13.2 As required by the [County's Child Support Compliance Program \(County Code Chapter 2.200\)](#) and without limiting the Contractor's duty under this Master Agreement to comply with all applicable

provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Master Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.14 County's Quality Assurance Plan

The County or its agent(s) will monitor the contractor's performance under this Master Agreement on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

8.15 Damage to County Facilities, Buildings or Grounds

- 8.15.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. Such repairs must be made immediately after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 8.15.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by Contractor by cash payment upon demand.

8.16 Employment Eligibility Verification

- 8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Master Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by

Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

- 8.16.2 The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Master Agreement.

8.17 Counterparts and Electronic Signatures and Representations

This Master Agreement may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Master Agreement. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Master Agreement.

8.18 Fair Labor Standards

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.19 Force Majeure

- 8.19.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to

those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Paragraph as "force majeure events").

- 8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 Governing Law, Jurisdiction, and Venue

This Master Agreement will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

8.21 Independent Contractor Status

- 8.21.1 This Master Agreement is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.
- 8.21.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Master Agreement all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.
- 8.21.3 The Contractor understands and agrees that all persons

performing work pursuant to this Master Agreement are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Master Agreement.

- 8.21.4 The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.22 Indemnification

The Contractor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers ("County Indemnitees") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Master Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.

8.23 General Provisions for all Insurance Coverage

Without limiting Contractor's indemnification of County, and in the performance of this Master Agreement and until all of its obligations pursuant to this Master Agreement have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraph 8.24 of this Master Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Master Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Master Agreement.

8.23.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, must be delivered to County at the address shown below and provided prior to commencing services under this Master Agreement.
- Renewal Certificates must be provided to County not less than 10 days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or Subcontractor insurance policies at any time.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements must be sent to:

County of Los Angeles
Internal Services Department, Contract Section
1100 N Eastern Ave., Room 101,
Los Angeles, CA 90063
Attention: Tatiana Menendez, Administrative

- Contractor also must promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also must promptly notify County of any third party claim or suit filed against Contractor or any of its Subcontractors which arises from or relates to this Master Agreement, and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.23.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured

The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.23.3 Cancellation of or Changes in Insurance

Contractor must provide County with, or Contractor's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Master Agreement, in the sole discretion of the County, upon which the County may suspend or terminate this Master Agreement.

8.23.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Master Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Master Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.23.5 Insurer Financial Ratings

Coverage must be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.23.6 Contractor's Insurance Must Be Primary

Any County maintained insurance or self-insurance coverage must be in excess of and not contribute to any Contractor coverage.

8.23.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Master Agreement. The Contractor must require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.23.8 Subcontractor Insurance Coverage Requirements

Contractor must include all Subcontractors as insureds under Contractor's own policies, or must provide County with each Subcontractor's separate evidence of insurance coverage. Contractor will be responsible for verifying each Subcontractor complies with the Required Insurance provisions herein, and must require that each Subcontractor name the County and Contractor as additional insureds on the Subcontractor's General Liability policy. Contractor must obtain County's prior review and approval of any Subcontractor request for modification of the Required Insurance.

8.23.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.23.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date will precede the effective date of this Master Agreement. Contractor understands and agrees it will maintain such coverage for a period of not less than three (3) years following Master Agreement expiration, termination or cancellation.

8.23.11 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

The County and its Agents must be designated as an Additional Covered Party under any approved program.

8.23.14 County Review and Approval of Insurance Requirements

8.25 Liquidated Damages

8.25.1 If, in the judgment of the Director, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or their designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Director, or their designee, in a written notice describing the reasons for said action.

8.25.2 If the Director determines that there are deficiencies in the performance of this Master Agreement that the Director or their designee, deems are correctable by the Contractor over a certain time span, the Director or their designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Director may:

(a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby

agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (\$100) per day per infraction, or as may be specified in any Performance Requirements Summary (PRS) Charts in future Purchase Orders, and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or

(c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.25.3 The action noted in Paragraph 8.25.2 will not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Master Agreement.

8.25.4 This paragraph will not, in any manner, restrict or limit the County's right to damages for any breach of this Master Agreement provided by law or as specified in the PRS or Paragraph 8.25.2, and will not, in any manner, restrict or limit the County's right to terminate this Master Agreement as agreed to herein.

8.26 Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Master Agreement provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Master Agreement, then such lower prices will be immediately extended to the County.

8.27 Nondiscrimination and Affirmative Action

8.27.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- 8.27.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement.
- 8.27.6 The Contractor will allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.27 when so requested by the County.
- 8.27.7 If the County finds that any provisions of this Paragraph 8.27 have been violated, such violation will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a

finding by the County that the Contractor has violated the anti-discrimination provisions of this Master Agreement.

- 8.27.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Master Agreement, the County will, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Master Agreement.

8.28 Non Exclusivity

Nothing herein is intended nor will be construed as creating any exclusive arrangement with Contractor. This Master Agreement will not restrict the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

8.29 Notice of Delays

Except as otherwise provided under this Master Agreement, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Master Agreement, that party must, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.30 Notice of Disputes

The Contractor must bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and the Contractor regarding the performance of services as stated in this Master Agreement. If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Director or designee will resolve it.

8.31 Notice to Employees Regarding the Federal Earned Income Credit

The Contractor must notify its employees, and will require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.32 Notice to Employees Regarding the Safely Surrendered Baby Law

Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The Director or their designee will have the authority to issue all notices or demands required or permitted by the County under this Master Agreement.

8.34 Prohibition Against Inducement or Persuasion

Notwithstanding the above, the Contractor and the County agree that, during the term of this Master Agreement and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.35 Public Records Act

- 8.35.1 Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to Paragraph 8.37 (Record Retention and Inspection/Audit Settlement) of this Master Agreement; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Master Agreement, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq.](#) (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
- 8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.36 Publicity

- 8.36.1 The Contractor must not disclose any details in connection with this Master Agreement to any person or entity except as may be

otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the Contractor from publishing its role under this Master Agreement within the following conditions:

- The Contractor must develop all publicity material in a professional manner; and
- During the term of this Master Agreement, the Contractor must not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County will not unreasonably withhold written consent.

8.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County of Los Angeles, provided that the requirements of this Paragraph 8.36 (Publicity) will apply.

8.37 Record Retention and Inspection-Audit Settlement

The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor must also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the Contractor and will be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor must file a copy of such audit report

with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County will make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this paragraph will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.37.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference will be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.38 Recycled Bond Paper

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.39 Subcontracting

8.39.1 The requirements of this Master Agreement may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.39.2 If the Contractor desires to subcontract, the Contractor must provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and

- Other pertinent information and/or certifications requested by the County.
- 8.39.3 The Contractor must indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.
- 8.39.4 The Contractor will remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.39.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.
- 8.39.6 The County's MAPD is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor must forward a fully executed subcontract to the County for their files.
- 8.39.7 The Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.39.8 The Contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor must ensure delivery of all such documents to:

Internal Services Department
Contracts Section
1100 N Eastern Ave., Room 101
Los Angeles, CA 90063

before any subcontractor employee may perform any work hereunder.

8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.13 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), will constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of

Contractor to cure such default within 90 calendar days of written notice will be grounds upon which the County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default) and pursue debarment of Contractor, pursuant to [County Code Chapter 2.202](#).

8.41 Termination for Convenience

- 8.41.1 County may terminate this Master Agreement, and any Purchase Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten (10) days after the notice is sent.
- 8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, the Contractor must immediately:
- Stop work under the Purchase Order or under this Master Agreement, as identified in such notice;
 - Transfer title and deliver to County all completed work and work in process; and
 - Complete performance of such part of the work as would not have been terminated by such notice.
- 8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement or Purchase Order must be maintained by the Contractor in accordance with Paragraph 8.37 (Record Retention and Inspection/Audit Settlement).

8.42 Termination for Default

- 8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County's Project Director:
- Contractor has materially breached this Master Agreement;
 - Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement or any Purchase Order issued hereunder; or
 - Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Purchase Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days

(or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

- 8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor will continue the performance of this Master Agreement to the extent not terminated under the provisions of this paragraph.
- 8.42.3 Except with respect to defaults of any subcontractor, the Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.42.2 if its failure to perform this Master Agreement, including any Purchase Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.
- 8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.42, or that the default was excusable under the provisions of Paragraph 8.42.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience).
- 8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.43 Termination for Improper Consideration

- 8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of the Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Master Agreement. In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.43.2 The Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.
- 8.43.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.44 Termination for Insolvency

- 8.44.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor will be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

The Contractor, and each County Lobbyist or County Lobbying firm as

defined in [County Code Section 2.160.010](#) retained by the Contractor, must fully comply with the County's Lobbyist Ordinance, [County Code Section 2.160.010](#). Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance will constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Master Agreement, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances will not be affected thereby.

8.48 Waiver

No waiver by the County of any breach of any provision of this Master Agreement will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement will not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.48 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County will have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

8.51 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.50 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) will constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within 10 days of notice will be grounds upon which County may terminate this Master Agreement and/or pursue debarment of Contractor, pursuant to [Los Angeles County Code Chapter 2.206](#).

8.52 Time off For Voting

The Contractor must notify its employees, and must require each subcontractor to notify and provide to its employees, information regarding the time off for voting law ([Elections Code Section 14000](#)). Not less than 10 days before every statewide election, every Contractor and subcontractors must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of [Section 14000](#).

8.53 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the County will require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Master Agreement. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

8.54 Integrated Pest Management (IPM) Program Compliance

8.54.1 Contractor acknowledges that County has established an Integrated Pest Management Program (the Program) which aims to reduce or eliminate pollutants moved into surface water through storm water management systems and facilities. Contractor certifies compliance on Exhibit 17 (Integrated Pest Management Program Compliance Certification) in Appendix A (Required Forms), that contractor has reviewed, understands, and will adhere to the County's IPM Program requirements as set forth in this Paragraph 8.54 (Integrated Pest Management Program Compliance) and at: www.lacountyipm.org

The training, which must be conducted on an annual basis, but no later than June 30th of each calendar year, must meet the County's minimum requirements under the Program.

8.56 Compliance with the County Policy of Equity

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

8.57 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

SAFELY SURRENDERED BABY LAW

THERE'S A BETTER CHOICE. SAFELY SURRENDER YOUR BABY.

Any fire station. Any hospital. Any time.

No shame | No blame | No names

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.
