2.13 TERMINATION FOR NON-APPROPRIATION OF FUNDS: Notwithstanding any other provision of this Award, the County will not be obligated for the Vendor's performance hereunder or by any provision of this Award during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Award in the County's Budget for each such future fiscal year. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Vendor and subcontractor, and without the fault or negligence of either of them, the Vendor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier. 2.14.6 If, after the County has given notice of termination under the provisions of Paragraph 2.14 it is determined by the County that the Vendor was not in default or that the default was excusable, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 2.14.5. The rights and remedies of the County provided in this Paragraph 2.14 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Award. 2.15 CONFLICT OF INTEREST: 2.15.1 No County employee whose position with County enables such employee to influence an Award, and no spouse or economic dependent of such employee, will be employed in any capacity by Vendor, or have any other direct or indirect financial interest in this Award. Vendor warrants that it is not aware of any facts which create a conflict of interest. If Vendor hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances.

2.16 GOVERNING LAW AND VENUE: This Award will be governed by and construed in accordance with the laws of the State of California. Vendor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding the Award, and further agrees and consents that venue of any action hereunder will be exclusively in the County of Los Angeles, California. 2.17 COMPLIANCE WITH LAWS: 2.17.1 Vendor must comply with all applicable Federal, State, and local laws, rules, regulations, ordinances, and directives, and all provisions required thereby to be included in the Award are hereby incorporated herein by reference. 2.17.2 Vendor must indemnify and hold harmless the County from and against all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorney fees, arising from or related to any violation on the part of the Vendor or its employees, agents, or subcontractors of any such laws, rules, regulations, ordinances, or directives. 2.18 INDEMNIFICATION: Vendor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers ("County Indemnitees") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to the Award, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees. 2.19 INVALIDITY, REMEDIES NOT EXCLUSIVE: If any provision of the Award or the application thereof to any person or circumstance is held invalid, the remainder of the Award and the application of such provision to other persons or circumstances will not be affected thereby. Vendor further certifies and agrees that it will deal with its subcontractors, bidders or Vendor without regard to or because of race, religion, ancestry, national origin, disability or sex. Vendor must allow the County access to its employment records during the regular business hours to verify compliance with these provisions when so requested by the County. If the County finds that any of the above provisions have been violated, the same will constitute a material breach of Award upon which the County may determine to cancel, terminate, or suspend the Award. The parties agree in the event the Vendor violates any of the anti-discrimination provisions of this Award, the County will, at its sole option, be entitled to the sum of five hundred (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Award. 2.22 FORCE MAJEURE: 2.22.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Award, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

2.22.2 Notwithstanding the foregoing, a default by a subcontractor of Vendor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Vendor and such subcontractor, and without any fault or negligence of either of them. In such case, Vendor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Vendor to meet the required performance schedule. As used in this subparagraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier. 2.22.3 In the event Vendor's failure to perform arises out of a force majeure event, Vendor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event. 2.23 NON-EXCLUSIVITY: Nothing herein is intended nor must be construed as creating any exclusive arrangement with Vendor. The Award will not restrict the Contract Analyst from acquiring similar, equal or like goods and/or services from other entities or sources. 2.24 MOST FAVORED CUSTOMER: If the Vendor’s prices decline or should the Vendor at any time during the term of this Award provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Award, then such lower prices must be immediately extended to the County. 2.25 WAIVER: No waiver by the County of any breach of any provision of the Award will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of the Award must not be construed as a waiver thereof. The rights and remedies set forth in this provision will not be exclusive and are in addition to any other rights and remedies provided by law or under the Award. 2.26 ACCEPTANCE: Unless explicitly stated by County as otherwise, County may conduct, at its location or any other County designated location and at its expense, an incoming acceptance test on all items purchased hereunder. The acceptance test period must not exceed thirty (30) days from receipt of such item by County. County may, at its sole discretion, reject all or any part of items or services not conforming to the requirements/specifications stated in the Award. 2.27 AGREEMENT MODIFICATIONS: The Award and any attachments hereto, constitutes the complete and exclusive statement of the parties which supersedes all previous agreements, written or oral, and all communications between the parties relating to the subject matter hereof. The Award must not be modified, supplemented, qualified or interpreted by any prior course of dealing between the parties or by any usage of trade. Only County's Contract Analyst can make amendments agreed upon by the parties by issuance of an official change notice. 2.28 INDEPENDENT CONTRACTOR STATUS: 2.28.1 The Award is by and between the County and the Vendor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Vendor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Vendor must be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to the Award all compensation and benefits. County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, federal, state or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Vendor. 2.28.2 Vendor understands and agrees that all persons performing work pursuant to the Award are, for purposes of Workers' Compensation liability, solely employees of the Vendor and not employees of the County. 8 DATA DESTRUCTION		
8.1 Vendor(s) that have maintained, processed, or stored the County of Los Angeles' ("County") data and/or information, implied or expressed, have the sole responsibility to certify that the data and information have been appropriately destroyed consistent with the National Institute of Standards and Technology (NIST) Special Publication SP 800-88 titled Guidelines for Media Sanitization. Available at: https://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-88r1.pdf 8.2 The data and/or information may be stored on purchased, leased, or rented electronic storage equipment (e.g., printers, hard drives) and electronic devices (e.g., servers, workstations) that are geographically located within the County, or external to the County's boundaries. 8.3 County must receive within ten (10) business days, a signed document from Vendor(s) that certifies and validates the data and information were placed in one or more of the following stored states: unusable, unreadable, and indecipherable. 8.4 Vendor must certify that any County data stored on purchased, leased, or rented electronic storage equipment and electronic devices, including, but not limited to printers, hard drives, servers, and/or workstations are destroyed consistent with the current National Institute of Standard and Technology (NIST) Special Publication SP-800-88, Guidelines for Media Sanitization. 9 DEFAULT METHOD OF PAYMENT: DIRECT DEPOSIT OR ELECTRONIC FUNDS TRANSFER (EFT)		
9.1 County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an Award with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C). 9.2 Upon Award or at the request of the A-C and/or the contracting Department, Vendor must submit a direct deposit authorization request via the website https://directdeposit.lacounty.gov/ and Vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements. 9.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments. 9.4 Upon Award or at any time during the duration of the agreement, a Vendor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting Department(s), will decide whether to approve exemption requests.		
10 JURY SERVICE PROGRAM		
10.1 The prospective agreement is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Vendors should carefully read the Jury Service Program which is incorporated by reference into and made a part of this solicitation. The Jury Service Program applies to both Vendors and their subcontractors. Bids that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration. 10.2 The Jury Service Program requires Vendors and their subcontractors to have and adhere to a written policy that provides that its employees must receive from the Vendor, on an annual basis, no less than five days of regular pay for actual jury service. This policy may provide that employees deposit any fees received for such jury service with the Vendor or that the Vendor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service program, "employee" means any California resident who is a full-time employee of a Vendor and "full time" means 40 hours or more worked per week, or a lesser number of hours if; 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Vendor has a long-standing practice that defines the lesser number of hours as full time. Therefore, the Jury Service Program applies to all of a Vendor's full-time California employees, even those not working specifically on the County project.		

STANDARD TERMS & CONDITIONS	REQUEST FOR BID RFB-CC-2023-1	
	BID DATE:	Page 16
10.3 There are two ways in which a Vendor might not be subject to the Jury Service Program. The first is if the Vendor does not fall within the Jury Service Program's definition of "Contractor". The Program defines "Contractor" to mean a person, partnership, corporation or other entity, which has a Contract with the County or a subcontract with a County Vendor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or subcontracts. The second is if the Vendor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Vendors that have 1) ten or fewer employees; and 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than \$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation". The second exception applies to Vendors that possess a collective bargaining Agreement that expressly supersedes the provisions of the Jury Service Program. Vendor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining Agreement. 10.4 If a Vendor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Vendor must so indicate in the Certification Form and Application for Exception and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining Agreement, if applicable. Upon reviewing the Vendor's application, the County will determine, in its sole discretion, whether the Vendor falls within the definition of "Contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.		
11 COMPLIANCE WITH COUNTY POLICY OF EQUITY Vendor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE), https://ceop.lacounty.gov/. Vendor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. Vendor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Vendor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the Vendor to termination of Contractual Agreements as well as civil liability.		
12 COMPLIANCE WITH FAIR CHANCE EMPLOYMENT PRACTICES Vendor must comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. Vendor's violation of this paragraph may constitute a material breach of the Award. In the event of such material breach, County may, in its sole discretion, terminate the Award.		
13 ASSIGNMENTS BY VENDOR 13.1 Vendor must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Vendor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. 13.2 Vendor must not assign its rights or delegate its duties under the Agreement, or both whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent will be null and void. For purposes of this paragraph, County consent will require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under the Agreement will be deductible, at County's sole discretion, against the claims which Vendor may have against County. 13.3 Shareholders, partners, members, or other equity holders of Vendor may transfer, sell exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Vendor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement. 13.4 Any assumption, assignment, delegation, or takeover of any of the Vendor's duties, responsibilities, obligations, or performance of same by any entity other than the Vendor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County will be entitled to pursue the same remedies against Vendor as it could pursue in the event of default by Vendor.

These protest procedures are as follows:		
15.1 Upon a determination of Award, the Contract Analyst will post a "Notice of Intent to Award" on the County's bid website, and notify all solicitation participants of the intended Award via email. 15.2 Non-selected Vendors will have three (3) business days, from the date the notice is posted, to file a formal bid protest with the Purchasing and Contracts Analyst that conducted the solicitation. 15.3 Bid protests must be received by the Contract Analyst within the three (3) day period, must be in writing, and include the specific facts, circumstances, reasons and/or basis for the protest. This written notice may be in the form of a letter, fax or email. 15.4 Once an Award has been executed, the Contract Analyst will not take action on a bid protest; however, a written response will be provided to the protesting Vendor. 15.5 If a bid protest is appropriately filed (i.e., prior to the Award), the Contract Analyst may delay the Award until the matter is resolved. 15.6 There are, however, situations where the delay of an Award may not be in the best interest of the County due to emergency and/or time critical acquisitions such as at the end of the County's fiscal year. In these instances, the County has no obligation to delay or otherwise postpone an Award based on a Vendor protest. 15.7 In all cases, the County Contract Analyst reserves the right to make an Award when it is determined to be in the best interest of the County of Los Angeles to do so. 15.8 Contract Analyst will respond to all bid protests in a timely manner. 15.9 Contract Analyst may refer a protest of a technical nature to the requisitioning County Department for further clarification, and will prepare a letter to the protesting Vendor, advising them of the pending action(s), and when a formal response can be expected.
