1.0 GENERAL INFORMATION

1.1 Purpose and Background:

The County of Los Angeles' (County) Internal Services Department (ISD or Department) is seeking qualified companies to enter into master agreements with the County to provide technical consulting services in support of information technology (IT) initiatives and implementation of County IT standards.

1.2 Scope of Work:

Vendors interested in becoming a Qualified Contractor in one or more of the Service Categories set forth in Appendix B ([ESMA Service Categories](#)) are encouraged to submit a Statement of Qualifications (SOQ) in response to this Request for Statement of Qualifications (RFSQ). Each Vendor (Vendor) demonstrating that it meets the requisite requirements for one or more of the Service Categories set forth in Appendix B, that accepts the Enterprise Services Master Agreement (ESMA) without exceptions, and that meets the insurance requirements set forth in Appendix D ([Sample Master Agreement](#)) will be awarded a ESMA and become a Qualified Contractor.

Under the ESMA, each Qualified Contractor will be included, depending on demonstrated qualifications, in one or more Service Categories that describe specific IT experience and requirements. As County work requirements arise during the term of the ESMA, Qualified Contractors in the applicable Service Categories will be solicited for bids or proposals to perform work under a Work Order (WO). The only compensation made to Qualified Contractors under the ESMA will be through satisfactory work performed under a duly issued and executed WO, in accordance with applicable County procedures.

Some significant features of this RFSQ and the resulting ESMA are as follows:

1. The terms contained in the ESMA are non-negotiable. The ESMA will be uniformly executed by all Qualified Contractors.
2. The ESMA may be amended, from time to time during the term of the ESMA, to accommodate changes in County contracting policies and procedures.
3. The ESMA will be used to expeditiously obtain key IT support services needed by various County departments.
4. Work pursuant to the ESMA will be solicited via Work Order Solicitations (WOS) and will be solicited for projects to be performed on a Fixed Price Per Deliverable (FP/D) or Time and Material Per Deliverable (T&M/D) basis as specified in each WOS. **Staff augmentation for general IT support may not be solicited via the ESMA.**
5. **No hourly rates for labor or fixed prices for services and/or deliverables are required from Vendors at this time.** Hourly rates and/or fixed prices will be required when Qualified Contractors respond to WOSs.
6. During the term of the ESMA, newly Qualified Vendors may be added at any time to the list of Qualified Contractors for each Service Category.
7. During the term of the ESMA, Service Categories may be added or deleted at any time, based on the County's needs and at the County's sole discretion.

8. Qualified Contractors wishing to expand the number of Service Categories for which they are eligible may also apply at any time to be added to the lists of Qualified Contractors for new Service Categories.
9. WOSs will be sent electronically to Qualified Contractors in the respective Service Categories and responses to the WOS must be submitted electronically, unless otherwise stated in the WOS.

1.3 Overview of Solicitation Document:

This RFSQ is comprised of the following Paragraphs/Parts:

- ▶ **1.0 [GENERAL INFORMATION](#):** Specifies the minimum qualifications, provides information regarding some of the requirements of the ESMA and the WOS process.
- ▶ **2.0 [INSTRUCTION TO VENDORS](#):** Contains instructions to Vendors regarding how to prepare and submit their SOQ in response to this RFSQ.
- ▶ **3.0 [SOQ REVIEW, SELECTION, AND QUALIFICATION PROCESS](#):** Explains how the SOQ will be reviewed and how Vendors will be selected and qualified for particular Service Categories.
- ▶ **[ESMA RFSQ APPENDICES](#):** Appendices included in the RFSQ.

1.4 Terms and Definitions:

Throughout this RFSQ, references are made to certain persons, groups, or departments/agencies. Where not defined herein, such terms will be as defined in Paragraph 2.0 (Definitions) of Appendix D ([Sample Master Agreement](#)).

1.5 Vendor's Minimum Qualifications:

Interested and Qualified Vendors that meet the Minimum Qualifications for specific Service Categories set forth in Appendix B ([ESMA Service Categories](#)) and as further outlined below are invited to submit a SOQ.

- 1.5.1 Appendix B defines the type of service, specific Minimum Qualifications, the requisite number of engagements, and the years of experience required for each Service Category. These Minimum Qualifications are solely for the purpose of qualifying for, and being accepted as, a Qualified Contractor under the terms of this RFSQ. For each WOS subsequently posted under the ESMA, County may provide additional minimum qualifications and other specific requirements as applicable to the services required under the Statement of Work (SOW) for which a WO is being solicited.
- 1.5.2 If Vendor's compliance with a County contract has been reviewed by the Department of the Auditor-Controller within the last ten (10) years, Vendor must not have unresolved questioned costs identified by the Auditor-Controller, in an amount over \$100,000.00, that are confirmed to be disallowed costs by the contracting County department, and remain unpaid for six (6) months or more from the date of disallowance, unless such disallowed costs are the subject of current good faith negotiations to resolve the disallowed costs, in the opinion of the County.

1.6 Acceptance of Terms and Conditions of ESMA:

Vendors understand and agree that the submission of a SOQ constitutes Vendor's acknowledgement and acceptance of all terms and conditions (as it may be updated from time to time) of the ESMA, if qualified and awarded a resultant ESMA.

1.7 ESMA Process:

Project specifications, tasks, deliverables, etc. will be determined at the time ISD issues a WOS similar to Appendix C ([Sample Work Order Solicitation](#)) and in accordance with Paragraph 3.0 (Work) of Appendix D ([Sample Master Agreement](#)).

- 1.7.1 An ESMA will be executed with all Vendors determined to be qualified for a particular Service Category(ies).
- 1.7.2 Upon ISD's execution of the ESMA's, the Qualified Vendors will become Qualified Contractors, and thereafter be solicited under competitive conditions in the form of a WOS similar to Appendix C for either Fixed Price Per Deliverable or Time and Material Per Deliverable basis bids to provide as needed IT consulting services in accordance with Paragraph 3.0 of Appendix D.
- 1.7.3 WOs resulting from successfully solicited WOSs will include a SOW which will describe in detail the particular project and the work required for the performance thereof.
- 1.7.4 Payment for all work must be either on a Fixed Price Per Deliverable (FP/D) basis or Time and Material Per Deliverable (T&M/D) basis, subject to the Total Maximum Amount specified on each individual WO.
- 1.7.5 The execution of an ESMA does not guarantee a Qualified Contractor any minimum amount of work or business.
- 1.7.6 The ESMA includes various Service Categories as described in Appendix B ([ESMA Service Categories](#)). Only those Contractors qualified in the specific Service Category being solicited will be contacted to submit bids during a WOS process.

1.8 ESMA Term:

In accordance with Paragraph 10.0 (Term of Master Agreement) of Appendix D (Sample Master Agreement), the term of the ESMA will go into effect upon the date of execution by the Director, Internal Services Department (Director, ISD), or his designee, as authorized by the Board of Supervisors (Board), and will expire five (5) years from Master Agreement execution ("ESMA Expiration Date"), unless sooner terminated, in whole or in part, as provided in the ESMA.

- 1.8.1 The term of the ESMA will be subject to two (2) additional two-year option period and six (6) one-month option periods, for a total a potential total term expiring nine (9) years and six (6) months from ESMA Expiration Date.
- 1.8.2 Option periods will be exercised at the sole discretion of the Director, ISD, as authorized by the Board.

expire on the ESMA Expiration Date, unless sooner extended or terminated, in whole or in part, as provided in the ESMA, in accordance with Paragraph 10.0 of Appendix D.

1.9 WOS and Award Process:

The comprehensive WOS, evaluation and award processes are set forth in Paragraph 4.0 (Work Order Solicitation Process) and Paragraph 5.0 (Work Order Evaluation and Award Process) of Appendix D ([Sample Master Agreement](#)). This Section 1.9, briefly outlines the process. All interested Vendors are required to read Appendix D in its entirety, paying particular attention to Paragraph 4.0 and Paragraph 5.0 of Appendix D to thoroughly understand the process.

1.9.1 **Work Order Solicitations:** The specific criteria and qualifications required to qualify a Vendor for the ESMA are described in Appendix B ([ESMA Service Categories](#)) and Appendix D (Sample Master Agreement). WOSs, similar in form to Appendix C ([Sample Work Order Solicitation](#)), will contain the specific service descriptions and qualifications that are required to award a WO to a Qualified Contractor.

Bids and proposals in response to WOSs will generally include the following:

Qualified Contractors will have identified, in Exhibit D ([Contractor's Administration](#)) of Appendix D (Sample Master Agreement), the Project Manager who will generally be responsible for the satisfactory performance of all of the Qualified Contractor's executed WOs. The County's WO Project Manager will, at his/her discretion, inspect any and all of the Qualified Contractor's work in progress at any time to verify progress, quality, and conformance with design specifications.

- 1.22.1 **Attempt to Secure Favorable Treatment:** It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Vendor with the implication, suggestion or statement that the Vendor's provision of the consideration may secure more favorable treatment for the Vendor in the award of an ESMA or that the Vendor's failure to provide such consideration may negatively affect the County's consideration of the Vendor's submission. A Vendor must not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of an ESMA.
- 1.22.2 **Notification to County:** A Vendor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. Failure to report such a solicitation may result in the Vendor's submission being eliminated from consideration.
- 1.22.3 **Form of Improper Consideration:** Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

1.23 Notice to Vendors Regarding the County Lobbyist Ordinance:

The complete text of the ordinance can be found in [County Code Chapter 2.160](#). In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Vendor to review the ordinance independently as the text of said ordinance is not contained within this RFSQ. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by [Los Angeles County Code Section 2.160.010](#), retained by the Vendor is in full compliance with [Chapter 2.160 of the Los Angeles County Code](#) and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists.

meet the minimum qualifications for that opening. Additionally, Vendors must attest to a willingness to provide employed GAIN/GROW participants access to the Vendor's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Vendors who are unable to meet this requirement must not be considered for an ESMA.

Vendors must submit a completed SOQ Form 3 ([Certification of Compliance](#)) of Appendix A ([Required SOQ Forms](#)), as part of their SOQ.

1.25 Jury Service Program:

The prospective ESMA is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") ([Los Angeles County Code, Chapter 2.203](#)). Vendor should have a continuing obligation to notify the County and update any changes to its response in SOQ Form 1 during the solicitation.

1.32 Contractor's Obligations as a "Business Associate" (HIPAA):

Contractors, whose performance of the activities under a WO involves access to Protected Health Information as defined in 45 C.F.R. § 160.103, will be required to comply with the Administrative Simplification requirements and prohibitions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 (HIPAA), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 as contained in Exhibit G (ESMA HIPAA Business Associate Agreement) of Appendix D ([Sample Master Agreement](#)).

1.33 Defaulted Property Tax Reduction Program:

The prospective ESMA is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") [Los Angeles County Code, Chapter 2.206](#). Prospective Contractors should carefully read the pertinent provisions of Appendix D (Sample Master Agreement), Paragraph 25.0 (Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program) and Section 56.8 (Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Qualified Contractors and their Subcontractors.

Vendors must be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and must maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or must certify that they are exempt from the Defaulted Tax Program by completing SOQ Form 3 ([Certification of Compliance](#)) of Appendix A (Required SOQ Forms). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor ([Los Angeles County Code, Chapter 2.202](#)).

SOQs that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

1.34 Vendor's Acknowledgement of County's Commitment to Zero Tolerance Policy on Human Trafficking:

On October 4, 2016, the Los Angeles County Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero tolerance policy on human

trafficking. The policy prohibits Vendors engaged in human trafficking from receiving contract awards or performing services under a County contract.

Qualified Contractors are required to complete SOQ Form 3 ([Certification of Compliance](#)) of Appendix A ([Required SOQ Forms](#)), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 77.0 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of Appendix D ([Sample Master Agreement](#)). Further, contractors are required to comply with the requirements under said provision for the term of any ESMA awarded pursuant to this solicitation.

1.35 Default Method of Payment: Direct Deposit or Electronic Funds Transfer:

- 1.35.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).
- 1.35.2 Upon contract award or at the request of the A-C and/or the contracting department, the Contractor must submit a direct deposit authorization request with banking and Vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.
- 1.35.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.
- 1.35.4 Upon contract award or at any time during the duration of the agreement/ contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

1.36 Vendor's Acknowledgement of County's Commitment to Employment Hiring Practices:

On May 29, 2018, the Los Angeles County Board of Supervisors approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#).

Qualified Contractors are required to complete SOQ Form 3 ([Certification of Compliance](#)) of Appendix A (Required SOQ Forms), certifying that they are in full compliance with [Section 12952](#), as indicated in the Master Agreement. Further, contractors are required to comply with the requirements under [Section 12952](#) for the term of any ESMA awarded pursuant to this solicitation.

1.37 Prohibition from Participation in Future Solicitation(s):

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation.

A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. ([Los Angeles County Code, Chapter 2.202](#))

1.38 Intentionally Omitted

1.39 Community Business Enterprise Participation:

The County has adopted a CBE Program, which includes business enterprises owned by disabled veterans, disadvantaged business enterprises, minority and women-owned businesses, and lesbian, gay, bisexual, transgender, queer, and questioning-owned business enterprises. The County has established an annual goal that 25 percent of all County must be reflected in SOQ Form 7 ([Community Based Enterprise \(CBE\) Information](#)) provided in Appendix A ([Required SOQ Forms](#)).

All Vendors must document good faith efforts it has taken to assure that CBEs are utilized, when possible, to provide supplies, equipment, technical services, and other services under this contract. The Vendor must make documents related to these good faith efforts available to the County upon request.

To obtain a list of firms that are certified by the County in the CBE Program, send an e-mail request to the County of Los Angeles Workforce Development Aging and Community Services (WDACS): CBESBE@wdacs.lacounty.gov with the subject "Request for CBE Listing." For additional information contact the Office of Small Business at: (844) 432-4900 or at OSB@wdacs.lacounty.gov.

The County strongly encourages participation by CBEs; however, the final selection will be made without regard to race, color, creed, or gender. The final selection will be based on the Vendor's ability to provide the best service and value to the County.

2.0 INSTRUCTIONS TO VENDORS

This Paragraph contains instructions to Vendors regarding how to prepare and submit the Statement of Qualifications (SOQ).

2.1 County Responsibility:

The County is not responsible for representations made by any of its officers or employees prior to the execution of the ESMA unless such understanding or representation is included in the ESMA.

2.2 Truth and Accuracy Representations:

False, misleading, fraudulent, incomplete, or deceptively unresponsive statements in connection with an SOQ will be sufficient cause for disqualification of the SOQ. The evaluation and determination in this area will be at the ISD's sole judgment and his/her judgment will be final. A Contractor who is disqualified pursuant to this Section 2.2, may be debarred from working with the County.

If the County is unable to verify the Contractor's prior experience, the submitted SOQ will be rejected without further review or consideration. County will provide detailed reasons for the rejection and will allow the Contractor to re-submit the SOQ with verifiable references.

Failure to adhere to SOQ format as described in Section 2.5 ([Preparation and Format of SOQ](#)) will result in the SOQ being rejected. If the SOQ is rejected, County will provide detailed reasons for the rejection and will allow the Contractor an opportunity to resolve any discrepancy and re-submit the SOQ.

2.3 Intentionally Omitted

2.4 Solicitation Requirements Review:

Any person or entity may seek a Solicitation Requirements Review by submitting Appendix E ([Transmittal to Request a Solicitation Requirements Review](#)) to the County as described in this Section 2.4.  - a. Application of the minimum requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
 - b. Due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Vendor.

2.5 Preparation and Format of SOQ:

2.5.1 All SOQs must be submitted electronically in the prescribed format. Any SOQ that deviates from this format may be rejected without review and without further consideration in the County's sole discretion. Electronic representations of original signatures are acceptable pursuant to Paragraph 33.0 (Counterparts and Electronic Signatures and Representations) of Appendix D (Sample Master Agreement). **SOQ Form 1 must bear the original signature of the person authorized to sign on behalf of the Vendor and who can legally bind the Vendor in an ESMA.**

Based on Vendor's organizational structure, Vendor must determine which of the below referenced supporting documents the County requires. If the Vendor's organization does not fit into one of these categories, upon receipt of the SOQ or at some later time, the County may, in its discretion, request additional documentation regarding the Vendor's business organization and authority of individuals to sign Contracts.

If the below referenced documents are not available at the time of SOQ submission, Vendors must request the appropriate documents below and provide a statement on the status of the request with the SOQ.

Required Support Documents:

- ▶ **Corporations or Limited Liability Company (LLC):** The Vendor must submit the following documentation with the SOQ:

Vendors are instructed to use the forms as provided in this RFSQ and refrain from modifying or reproducing the required forms or it may result in the entire SOQ being disqualified without further consideration in the County's sole discretion. **Vendor must submit a separate SOQ Form 2 for each Service Category/Subcategory for which it wishes to be considered qualified. The County will NOT determine which Service Categories are appropriate for the vendor.**

- A. **ESMA Service Category Minimum Qualifications Verification:** The Vendor must complete this Section of SOQ Form 2 (Vendor's Qualifications) of Appendix A (Required Forms) to describe the engagements required for **each** Service Category and/or Subcategory(ies) specified in Appendix B (ESMA Service Categories) for which the Vendor intends to qualify.

The Vendor must utilize this Section of SOQ Form 2 to demonstrate that it has the relevant background, experience, requisite years of experience, and requisite number of

engagements of sufficient length, to meet the Minimum Qualifications for **each** Service Category and/or Subcategory(ies) the Vendor intends to qualify for as set forth in Section 1.5 ([Vendor's Minimum Qualifications](#)) and Appendix B (ESMA Service Categories) a single engagement may be used to qualify the Vendor for more than one Service Category, but it is the Vendor's responsibility to ensure that the engagement and the Vendor's experience and technological accomplishments are described with sufficient specificity to demonstrate that the Vendor meets the Minimum Qualifications set forth in Section 1.5 and Appendix B.

All the engagements listed by the Vendor must have been performed for organizations other than the Vendor's own organization. However, Vendors may list engagements in which the Vendor performed the requisite work as a subcontractor to a prime contractor, but must identify such engagements. Additional engagement requirements may be specified in Appendix B.

Each distinct engagement included in this Section of SOQ Form 2 must include a comprehensive narrative for each engagement, in the appropriate location within the Form, and provide a sufficiently detailed and comprehensive description of the Vendor's experience (e.g. nature of the technical work performed, Vendor responsibilities, how the work was accomplished, etc.) during the engagement that demonstrates how the Vendor meets all of the Minimum Qualifications described in Section 1.5 and Appendix B for the Service Category(ies) and/or Subcategory(ies) for which the Vendor intends to qualify.

The County, in its sole discretion, will determine whether the information provided in this Section of SOQ Form 2 demonstrates sufficient qualifying engagements and a sufficient length of work experience to qualify the Vendor for a specific Service Category and/or Subcategory.

Failure to provide a sufficiently detailed and comprehensive engagement description this Section of SOQ Form 2 may result in the SOQ being disqualified without further consideration in the County's sole discretion.

If an SOQ is disqualified, and Vendor remains interested in being an ESMA Qualified Contractor, Vendor must resubmit the SOQ package in its entirety.

- B. **ESMA Service Category Minimum Qualifications Affirmation:** The Vendor must complete the applicable Section of SOQ Form 2 ([Vendor's Qualifications](#)) of Appendix A ([Required SOQ Forms](#)) to certify that the information provided in Section B. ([ESMA Service Category Minimum Qualification Verification](#)) of SOQ Form 2 is true and correct to the best of his or her information and belief. Electronic representations of original signatures are acceptable pursuant to Paragraph 33.0 (Counterparts and Electronic Signatures and Representations) of Appendix D ([Sample Master Agreement](#)). **This Section of SOQ Form 2 must bear the signature of the person authorized to sign on behalf of the Vendor and to bind the applicant in an ESMA.**

Failure to sign and/or submit this Section of SOQ Form 2 may result in the entire SOQ being disqualified without further consideration in the County's sole discretion. If SOQ is disqualified because of failure to complete this Section of SOQ Form 2, County will provide

reasons for disqualification and will allow Vendor to correct this Section of SOQ Form 2 and re-submit.

- C. **Vendor's References:** The Vendor must use this Section of SOQ Form 2 (Vendor's Qualifications) of Appendix A (Required SOQ Forms), to provide the following information regarding Vendor's References.

The Vendor must provide information for the references required for each ESMA Service Category and/or Subcategory on SOQ Form 2 to substantiate each of the separate, distinct engagements for each of the Service Category and/or Subcategory for which the Vendor intends to qualify.

The Vendor may use additional forms, if necessary, but the form must in no way be altered from its original format or it may result in the entire SOQ being disqualified without further consideration in the County's sole discretion.

It is the Vendor's sole responsibility to ensure that the reference company name, point of contact's name, title, email address, phone number, and fax number, if applicable, for each reference is accurate. It is also the Vendor's sole responsibility to inform the references that the County will be contacting them during the County's normal working hours.

The County will exercise reasonable diligence in contacting references. However, the County assumes no responsibility if the contact information the Vendor provides is not accurate.

The County, in its sole discretion, may disqualify a Vendor from further consideration if:

1. References fail to substantiate the Vendor's engagements and/or the description of services provided in the engagements for each Service Category the Vendor intended to qualify for; or
2. References fail to support that Vendor has a continuing pattern of providing capable, productive and skilled personnel; or
3. The County is unable to successfully reach the point of contact with reasonable effort; or
4. Vendor lists a reference for an engagement that is located in a foreign country and in that foreign country the application of skills in the business environment differs from that in the United States to such a degree that the relevance of the experience is questionable.

- 2.5.6 **Vendor's Pending Litigation and Judgments:** The County will conduct a review of Vendor's pending litigation and judgements. Vendor must identify by name, case and court jurisdiction any pending litigation in which Vendor is involved, or judgments against Vendor in the past five (5) years. Additionally, Vendor must provide a statement describing the size and scope of any pending or threatening litigation against the Vendor or principals of the Vendor.

- 2.5.7 **Vendor's Proof of Insurability:** The Vendor must provide proof of insurance that meet all the insurance requirements set forth in Paragraph 42.0 (General Provisions for All Insurance Coverage) and Paragraph 43.0 (Insurance Coverage) of Appendix D ([Sample Master Agreement](#)).

In the event that the Vendor does not have the required insurance coverage set forth in Paragraph 42.0 and Paragraph 43.0 of Appendix D at the time of SOQ submission, the Vendor may submit with its SOQ, a letter from a qualified insurance carrier indicating its willingness to provide the Vendor with the required insurance coverage set forth in Paragraph 42.0 and Paragraph 43.0 of Appendix D should the Vendor be selected and awarded an ESMA.

If the Vendor is qualified to be awarded an ESMA, the ESMA will not be executed by the County until such time as the Vendor has submitted, and the County has accepted, its insurance coverage that meet all the insurance requirements set forth in Paragraph 42.0 and Paragraph 43.0 of Appendix D.

It is the Vendor's responsibility to ensure the submission and all related forms are signed in accordance with this RFSQ. Electronic representations of original signatures are acceptable pursuant to Paragraph 33.0 (Counterparts and Electronic Signatures and Representations) of Appendix D (Sample Master Agreement).

2.7 SOQ Withdrawals:

A Vendor may withdraw its SOQ at any time and resubmit at any further date while the RFSQ is open.

2.8 Acceptance of Terms and Conditions of Master Agreement:

Vendors understand and agree that submission of the SOQ constitutes acknowledgement and acceptance of, and a willingness to comply with, all terms and conditions of Appendix D (Sample Master Agreement).

3.0 SOQ REVIEW, SELECTION, AND QUALIFICATION PROCESS

The County reserves the sole right to judge the contents of the SOQ submitted pursuant to the RFSQ and to review, evaluate, and qualify the Vendors. The following rules and procedures govern the selection of Vendors to become Qualified Contractors under the ESMA.

3.1 Review, Selection and Qualification Process:

SOQs will be subject to a detailed review by qualified County staff. The review process will include the following steps:

3.1.1 **Adherence to the Minimum Qualifications:** The County will review the Vendor's SOQ in its entirety in accordance with Section 2.5 ([Preparation and Format of SOQ](#)) of this RFSQ to determine if the Vendor meets the Minimum Qualifications specified in Section 1.5 ([Vendor's Minimum Qualifications](#)) and Appendix B ([ESMA Service Categories](#)) for **each** Service Category for which the Vendor intends to qualify. The review will include verification of references submitted, a review of the County's Contract Database and Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts, and a review of terminated contracts.

- ▶ Failure of the Vendor to comply with and demonstrate that it meets the Minimum Qualifications set forth in Section 1.5 and Appendix B for **each** Service Category which the Vendor intends to qualify, may result in the SOQ being disqualified without further review and consideration in the County's sole discretion. The County, in its sole discretion, reserves the right to waive any informality in an SOQ if the sum and substance of the SOQ is present.
- ▶ The County will contact every reference provided by the Vendor on **each** SOQ Form 2 ([Vendor's Qualifications](#)) of Appendix A ([Required SOQ Forms](#)) for **each** separate, distinct engagement for **each** Service Category and/or Subcategory(ies) for which the Vendor intends to qualify. The County will verify the Vendor's relevant background, experience, requisite years of experience, and requisite number of engagements of sufficient length, to meet the Minimum Qualifications for **each** Service Category and/or Subcategory for which the Vendor intends to qualify as set forth in Section 1.5 and Appendix B.
- ▶ A review of the Vendor's pending litigation or judgments will be conducted to determine, amongst other things, the magnitude of any pending litigation or judgments against the Vendor.
- ▶ An inquiry to determine the operational and financial capability and responsibility of a Vendor may be conducted by the County. The failure of a Vendor to promptly supply information in connection with such inquiry, including but not limited to, information regarding past performance, financial capability, and ability to perform on schedule, may result in the SOQ being disqualified without further consideration, in the County's sole discretion.

- ▶ False, incomplete, or unresponsive statements in connection with a Vendor's SOQ will result in the SOQ being disqualified without further consideration at the County's sole discretion.
- ▶ Failure to adhere to SOQ format as described in Section 2.5 ([Preparation and Format of SOQ](#)); will result in the SOQ being disqualified. If SOQ is disqualified, County will provide detailed reasons for disqualification and will allow the Vendor to resolve any discrepancy and re-submit.

3.1.2 **Vendor's Proof of Insurability:** The County will review the Vendor's insurance in accordance with Section 2.5.7 ([Vendor's Proof of Insurability](#)) of this RFSQ to ensure that it meets the required insurance coverage as set forth in Paragraph 42.0 (General Provisions for All Insurance) and Paragraph 43.0 (Insurance Coverage) of Appendix D ([Sample Master Agreement](#)).

3.1.3 **Additional Required Forms:** The County will review all the forms required in accordance with Section 2.5 (Preparation and Format of SOQ) of this RFSQ.

3.2 Disqualification Review:

An SOQ may be disqualified from consideration because ISD has determined it contains false, misleading, fraudulent, incomplete, deceptively unresponsive statements, and/or is otherwise non-responsive at any time during the review/evaluation process. If ISD determines that a SOQ is disqualified, ISD will notify the Vendor in writing.

Upon receipt of the written determination of disqualification, the Vendor may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in ISD's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Disqualification Review is submitted within the timeframe specified in the notice of disqualification; and
2. The request for a Disqualification Review asserts that the ISD's determination of disqualification due to non-responsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review will be completed and the determination will be provided to the requesting Vendor, in writing, prior to the conclusion of the evaluation process.

3.3 Selection/Qualification Process:

The ISD will generally select Vendors that have experience in providing a broad range of IT consulting services. However, in order to insure ISD has a varied pool of Qualified Contractors, the ISD may offer ESMA's to Vendors that offer a narrow scope of services in more highly specialized areas.

3.4 Master Agreement Award:

Vendors who are notified by the ISD that they appear to have the necessary qualifications and experience (i.e., they are qualified) may still not be recommended for an ESMA if other requirements necessary for award have not been met. Other requirements may include acceptance of the terms

and conditions of the ESMA, and/or satisfactory documentation that required insurance will be obtained. Only when all such matters have been demonstrated to the ISD's satisfaction can a Vendor, which is otherwise deemed qualified, be regarded as "selected" for recommendation of an ESMA.

The ISD will execute Board-authorized ESMA's with each selected Vendor. All Vendors will be informed of the final selections.

(This Section will specify the Criteria that will be used in evaluating the solicitation responses, together with the percentage of weight that will be applied to each evaluation criterion. Where evaluation criteria include anything other than cost, each Department will include specific information regarding how each of the following evaluation criteria will be applied in each Work Order Solicitation. With respect to Cost, the maximum number of points will be awarded to the lowest cost proposal, with all other proposals compared the lowest cost and points awarded accordingly.)

Selection Process:

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department. The Committee will evaluate the proposals and will use the evaluation approach described herein to select a prospective Contractor. All proposals will be evaluated based on the criteria listed herein. All proposals will

be scored and ranked in numerical sequence from high to low. The County may also, at its option, invite proposers being evaluated to make a verbal presentation or conduct site visits, if appropriate. The Evaluation Committee may utilize the services of appropriate experts to assist in this evaluation.

The County retains the right to select a proposal other than the proposal receiving the highest number of points if County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interests of the County.

Disqualification of Work Order Solicitation Proposal:

A Work Order Solicitation proposal may be disqualified from consideration because a Department and/or ISD determined it was non-responsive at any time during the review/evaluation process. If a Department and/or ISD determine that a proposal is disqualified due to non-responsiveness, the ESMA Administrator will notify the proposer in writing. Upon receipt of the written determination of non-responsiveness, the proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the ISD's sole discretion, be denied if the request does not satisfy all of the following criteria: (a) The person or entity requesting a Disqualification Review is the Proposer; (b) The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and (c) The request for a Disqualification Review asserts that the Department's and/or ISD's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions. The Disqualification Review will be completed and the determination will be provided to the requesting proposer, in writing, prior to the conclusion of the evaluation process.
