Dear Vendors:

This Addendum Nine provides revisions, additions, and deletions, where applicable, to the Telecommunications Services RFSQ #104731.

Revisions to the solicitation documents appear below:

- 1. RFSQ #104731, Section 1.4.2.3 of 1.4 (Vendor's Minimum Qualifications) has been deleted and is replaced as follows:**

1.4.2.4 To meet the minimum qualification for **Category 5 — Legacy Services**, the vendor must identify five (5) client contracts for Legacy Services (as defined in Section 4.5 (Category 5 Description-Legacy Services) within the last five (5) years, *each of which must have 1,000 or more Legacy Service lines, 1,000 or more Legacy Service circuits, or a combination of 1,000 or more Legacy Service lines or Legacy Service circuits.* All Legacy Service lines and Legacy Service circuits must be in the United States (U.S.). Two (2) of these five (5) contracts must be with U.S. public entity clients.

For each of the five (5) vendor-identified Legacy Services contracts, the vendor must provide reference contacts in Exhibit 6E (Legacy Services – Prospective Vendor References). Public entity references for Legacy Services will be included in Exhibit 7E (Legacy Services – Prospective Vendor References of Public Entity Contracts). Note that although only two (2) U.S. public entity references are required, the template enables the vendor to provide up to five (5) such references.

All questions, without identifying the submitting company, will be compiled with the appropriate answers and issued as an addendum to the RFSQ.

When submitting questions, please specify the RFSQ section number, paragraph number, and page number and quote the language that prompted the question. This will ensure that the question can be quickly found in the RFSQ. County reserves the right to group similar questions when providing answers.

Questions may address concerns that the application of minimum requirements, evaluation criteria and/or business requirements would unfairly disadvantage Vendors or, due to unclear instructions, may result in the County not receiving the best possible responses from Vendor.
